Curriculum vitae

Personal Data:

Name: Abeer Khalid Al-Ghumlas

Nationality: Saudi

Address: King Khalid University Hospital

Department of physiology (29)

P.O.Box 2925

Area code: 11461

City: Riyadh

Saudi Arabia

Tel. M: 054452982 W: 4672567

Academic Degrees:

- MBBS: in 1995 from King Faisal University, Dammam.

- MSc: in 2002 from King Saud University
  College of Medicine.
  Department of physiology

Professional experiences:

1) Internship:

3 months Medicine: King Khalid University Hospital, Riyadh

3 months surgery: Riyadh Central Hospital, Riyadh

2 months Obstetric & Gynecology: Riyadh Central hospital, Riyadh

2 months pediatric, King Fahad Hospital, Khobar

1 month Primary Care Medicine, King Fahad hospital, Khobar

1 month Elective (Dermatology): King Fahad hospital, Khobar

2) Resident:

Joined Department of Physiology, College of Medicine, King Saud University as resident in 1997

3) Enrolled in MSc program in 1417 H (1997) with grade 4.78

MSc thesis title: "Haemostatic changes in chronic liver disease"

Discussed in 21 Shawal 1423 (25 December 2002) and passed

With distinction (Excellent grade)

Teaching experience:

Giving lectures, tutorials, practical classes and oral examination to medical, dental and pharmacology students

Seminar presentations to the Physiology Department:

- Exercise in heat
- Insulin; mechanism of action
- Bronchial hyper-responsiveness
- Heart failure
- Sodium handling by the nephron
- Haemostatic changes in chronic liver disease
- Endothelial cell and haemostatic activation in relation to cytokines in patients with sepsis

Contribution to conferences:

"Haemostatic parameters in chronic liver disease; can haemostatic tests be included as LFTs?": Poster presentation at the 7th Saudi Gastroenterology Association conference-King Abdulaziz Medical city, National Guard Health Affairs, Riyadh, October 2002

Attendance to courses:

- The Sixth Annual Saudi Gastroenterology Association Meeting, at King Fahad Hospital, Jeddah, 1999

- Principles of Epidemiology and Biostatistics Course for post-graduate residents, at King Khalid University Hospital, Riyadh 2000
- Statistics for Medical Researchers, at King Khalid University Hospital, Riyadh 2003
- Therapeutic Endoscopy Course, at King Abdulaziz Medical city, National Guard Health Affairs, Riyadh, 2002
- 4TH International Symposium on Haematology and Transfusion Medicine, at Al Twaiq palace, Diplomatic Quarters, Riyadh, 2002
- 3rd King Saud University Work shop on medical Education, at College of Medicine, King Saud University university, Riyadh, 2006
