Personal Information :

Lecture : Hanan Abdul Lateef Alghilan – College of Arts – Dept of Geography

Specialization : Maps and Geography Information Systems

P.o Box 150555 Riyadh 11757

Fax : 4352833

Work Telephone : 4352833

Mobile : 0555342260

E-mail Hanan.Alghilan@uae.us - Hanan.Alghilan@gmail.com

- (1) Graduation from the Department of Geography – King Saudi University (1987-1988) Class Twenty Four .
- (2) Grade Very Good High – Accumulative Average (4.09 out of 5) .
- (3) Academic Registration is not witnessed any Failed subject .
- (4) One of the Superior students as mentioned in the University Message number (314) issued on Saturday 13 September 1986 within the Superiors list .
- (5) I am working as Map Tracer according to the administrative decision of appointing no (3574) issued officially on 29/07/1996 , I worked as Contracted with Hours System on (1994 – 1996) .
- (6) Postgraduate Student – Major Maps and Geographical information Systems in the year 2003 . I fulfilled the requirement with accumulative semester (5 out 5) and accumulative average (4.72 out 5) .
- (7) Master Degree Sub Specialization Maps and Geographical information Systems ON 06/04/2008 research title (the role Geographical Information in Studying Morphometer Characteristics of Wadi Laban .
- (8) Currently working as Lecturer for teaching Maps subject in King Saudi University .
- (9) Training Courses for developing the employment performance and raise up the skills and education abilities :-
- (10) Training course for teaching maps subject (Practically) for the year (1995-1996) to the Dr. Mostafa Ahmed .
- (11) Course of Computer Training in University Studies Center in Word from 06/02/2007 to 17/02/2007.
- (12) Training Course in Geographical Information System , (Theoretic) ,Dr. Ali AL Ghamdi in the year 2002 in the University Studies Center .
- (13) Training Course for the Principles of Geology (Practically) . Prof. Saad Kamil Department of Geology in the year 1999 in the University Studies Center .
- (14) Course of English Language (Al Nawras Training for Ladies) period (40hors) with grade excellent in the year 2004 .
- (15) Intensive Training Course (Introduction in Geographical Information System) in the year 2005 under the supervision of Eng/ Seren Katorah from Khateb & Elmi Co. (from 13-24/5/2005 , in the College of Education – in Malaz – welfare by King Abdul Aziz

City for Science & Technology.

(16) Advanced Training Course 1 (Geographical Information System) held on the College of Education Jeddah from 13-18/02/2006 .

(17) Advanced Training Course 2 (Geographical Information System) held on the College of Education Jeddah from 18-21/02/2006 .

(18) Training Course beginners (Remote Perception) that held on University Studies Center 10/6 to 12/06/2006 .

(19) Advanced Course in Spatial Analyst for finishing the fulfillments of Master Degree during the second semester of the year 2007 that held in (ARAMCO).

(20) Advanced Training Course in Building Geo Building that held Arabian Administrative Development Organization branched from Arab League that held on Egypt during the period from 21-24 July 2008 .

(21) Advanced Course in Spatial Analyst held Arabian Administrative Development Organization branched from Arab League that held on Egypt during the period from 27-31 July 2008 .

(22) Committees as Member :-

1- Saudi Geography Association .

2- Gulf Geography Association .

3- Committee of Protecting the Environment on the level of University Studies Cent.

4- Environment Committee on the level of Geography Dept.

5- Social Information Committee on the level of Geography .

6- Member in Academic Guidance for the new Student department of Geography .

7- Geography Department Coordinator in the Deanship of Admission & Registration for registering student in computer .

8- Member in the Scientific Committee on the level of Geography Dept .

9- Member in Geographical Information Club – Internet .

(23) Subjects that I taught in the Department of Geography :

1- Human Distribution Maps.

2- Geographical Information Systems .

3- Remote Perception.

4- Entrance to Maps Science .

5- Principles of Survey .

6- Cantor Maps and Topographic .

7- Principles of Geology.

8- Geography of Climate & Weathers .

9- Shapes of Land Surface .

(24) Participation in the Controlling of Final Examinations for all substances :

1- On the level of the Center of the Subjects General Preparing .

2- On the level of Geography Subjects .

(25) Computer Programs that I deal with them excellently

1- Excel Statistics Program .

2- SPSS Statistics Program .

3- (Arc View) Geography Information Program .

4- (Arc Info) Geography Information Program .

5- (Map Viewer) Geography Information Program .

6- (Surfer) Maps Program .

- 7- (Erads Program) Remote Perception Program .
- 8- (Corel Draw) Drawing and Designing Program.

(26) Computer Programs that I deal with them excellently

- 1- Organizing First Saudi Workshop in Geographical Information System in the Eastern Region in the first national meetings that held on 20/11/2005 .
- 2- Attending First National Meeting for Geography Information System that held on 23/11/2005 .
- 3- Presenting Lecture on (Geographical Information Systems) Third Creative Meeting that held on from 27-2/2006 to 03/03/2006 .
- 4- First Saudi Trainer Assistant that organizing training course title (Introduction in Geographical Information Systems) , that held in the College of Education – Jeddah from 12-18/02/2006.
- 5- Organizing Training Course for the Staff of Teachers in the Dept of Geographical in the program (Map Viewer) in the University Studies Center for four weeks.
- 6- First Saudi Trainer for organizing first woman training courses on the level of the Kingdom by the welfare of Saudi Geography Association for the program (Arc GIS – Arc Info) from 12-16/01/2008 .
- 7- Attending the international Conference for the Systems and the Technologies and the application of the Remote Perception for controlling the land , that held on 07/05/2005 – 12/05/2005 .
- 8- Attending the International Conference for Water Resources and dry Environment that held in the University Studies Center on 26-29/11/2006 .
- 9- Attending the (Tourism Symposium in the Kingdom of Saudi Arabia – Components and possibilities) that held on 14-16/05/2003 .
