

General Physiology

ANP 219

Course Description :

The Subject	No. of Week
Introduction To General Animal Physiology	1
The cells	2
The Tissues	3
Nerves System	4
Digestive System	5
Absorption and Metabolism	6
Examination	7
Fluid Regulation	8
Kidneys	9
Circulatory System	10
Respiration System	11
The Hormones	12
Thermoregulation	13
Examination	14
