

## Comparative Physiology of Farm Animal ANP 251

### Course Description :

The Subject	No. of Week
Anatomical Aspects of Respiratory system In Birds	1
Anatomical Aspects of Respiratory system In Birds	2
Anatomical Aspects of Reproductive system In Birds	3
Anatomical Aspects of Reproductive system In Birds	4
Anatomical Aspects of Digestive system In Birds	5
Anatomical Aspects of Digestive system In Birds	6
Examination	7
Anatomical Aspects of Respiratory system In Farm animals	8
Anatomical Aspects of Respiratory system In Farm animals	9
Anatomical Aspects of Reproductive system In Farm animals	10
Anatomical Aspects of Reproductive system In Farm animals	11
Anatomical Aspects of Digestive system In Farm animals	12
Anatomical Aspects of Digestive system In Farm animals	13
Examination	14
