EXPERIENCE

**College of Business Administration
King Saud University**

Al Kharj, Kingdom of Saudi Arabia
2009

**Assistant Professor, Head of the Management Department
and Director of the Business Center**

As a head of the Management Department, I developed the curriculum, the course specifications, and syllabus of fifteen courses in concordance with the International Association to Advance Collegiate School Schools of Business (AACSB) requirements. Moreover, I am providing guideline and support to faculties to increase effectiveness and performance based on teamwork, effective communication, and accurate appraisal.

As the Director of the Business Center, I facilitate students access to computers and statistical tools in order to develop their research skills (data collection and analysis; research methodology). Furthermore, I promote networking with industries, banks, and other types of businesses in order to reinforce students' trainings and practical experience.

**Touro University International
