Nature of the prophet's diet

Breakfast

The prophet(SAWS) said : *“I advise you to drink honey.”*

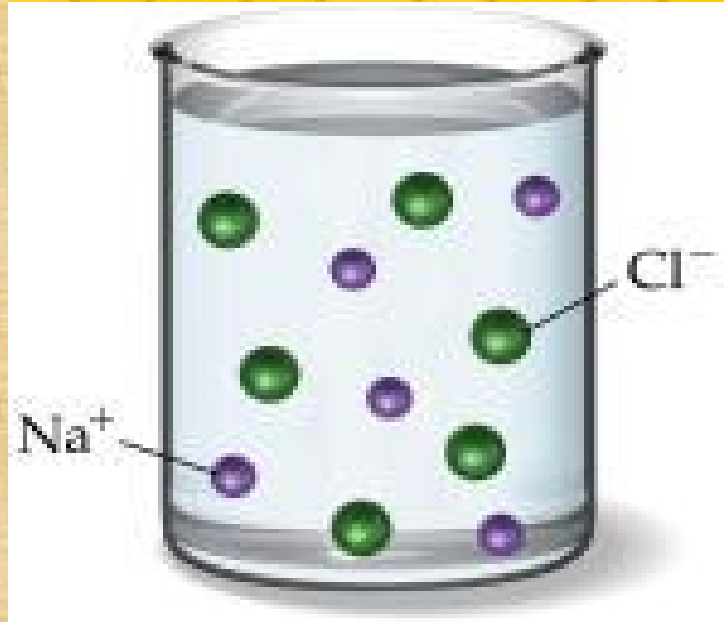

Preparation:

Use a full table spoon of honey along with a glass of water (200ml).

Steer until the honey dissolves totally in the water before usage.

Benefits:

- Awaken the entire digestive system, from mouth to intestines.
- obtain a sufficient amount of energy required for the daily activities by supplying the body with salt, minerals and the vitamins.

- Mixes the order of the water molecules with that of the honey so the whole drink becomes beneficial. This method is used in the modern treatments named “treatment with water” (or hydrophathy) where the water is enriched with the needed substance that the body needs.

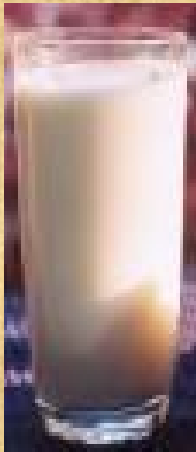

Dates and Milk

Preparation:

Soak 7 dates into a glass of milk. To be taken around noon.

The prophet(SAWS) said: “ **whomever starts his day with
seven pressed dates will not suffer any poison or magic”**

Benefits:

- Milk contains vitamins and minerals that fruits have.
- Pressed Dates help the liver resist toxic elements using the anti-toxic or antibiotics that the dates contains.
- Pressed dates help the body get rid of the harmful chemical elements that the body has to deal with, like the lead that a high rate of it in the body can cause renal failure.

**The Prophet
(SAWS) said:
“use olive oil in
your food and
for massage for
it’s from a
blessed tree”**

Lunch:

A piece of bread made of barley, a table spoon of olive oil and few drops of apple vinegar.

Benefits:

- Olive oil resists fat in the body.
- Olive oil prevents from skin cancer and bone cancer.
- Olive oil dissolves cholesterol.
- A daily spoon of Olive oil can treat the problem of - fatty liver.
- Olive oil can treat and prevent from arteriosclerosis and weakness of memory.

The Prophet (SAWS) said:

**“ God bless vinegar for it
was part of prophets diet.”**

ما اقفر بيت فيه خل

Benefits of Olive oil with vinegar:

Olive oil helps in the increase of beneficial fat (high in density), and decrease the proportion of harmful fat (low in density), which reside on the wall of arteries, causing intransigence.

Vinegar helps the body get rid of the harmful fats by turning it into a beneficial element that is used in internal generation of body power.

Dinner:

The Prophet (SAWS) said:

” whomever skips the dinner meal his body weakens.”

The dinner meal should contain a piece of bread made of barley and a glass of milk.

The dinner helps the large intestines fermenting food and benefiting from some of its vitamins that results from the process of fermenting. Like a vitamin that prevents the body from bleeding.
