Faisal Mubarak, Ph.D

Dear Faisal Mubarak,

Welcome to the international research conference "Housing in the 21st Century" to be held 26-30 June 2000 in Gävle, Sweden. The ENHR 2000 conference will be a stimulating environment for discussing housing in the 21st century. We anticipate a diverse group with colleagues from sociology, economics, geography, political science, psychology, social work, history, urban planning, architecture, and other disciplines. The Conference will include panel discussions and parallel workshops.

We are sincerely hoping that you will be able to participate at the Conference and share your views, research experience and practice with other researchers coming to the Conference.

Please be so kind and reply to our invitation by submitting your abstract and forms.

Sincerely yours,

Bengt Turner
Chairman of the Conference
