

1. Improved Liquid Chromatographic Method for Acyclovir Determination in Plasma

A. M. Molokhia ^a; E. M. Niazy ^a; S. A. El-hoofy ^a; **M. M. El-Dardari** ^a
Journal of Liquid Chromatography & Related Technologies
Volume 13, Issue 5, pages 981-989, March 1990.

Liquid Chromatographic Assay for Amodiaquine in Tablets and Biological Fluids

A. M. Molokhia ^a; S. El-Hoofy ^a; **M. M.El-Dardiri** ^a
Journal of Liquid Chromatography & Related Technologies
Volume 10, Issue 6, pages 1203-15, March 1987.

Sensitive High-Performance Liquid Chromatographic Analysis of Propranolol in Serum.

A.A. Al-Angary, Y.M. El Sayed, M.A. Al Meshal, **M.M. El-Dardiri** and G.M. Mahrous.
Journal of Clinical Pharmacy and Therapeutics, 16, 93-101, 1991.

Characterization Stability and in vivo Targeting of Liposomal Formulations Containing Cyclosporin.

A.A. Al Angary, M.A. Bayomi, S.H. Khidr, M.A. Al Meshal, and **M.M.El-Dardiri**.
International Journal of Pharmaceutics, 114, 221-225, 1995.

Preparation and evaluation of sustained release cross-linked chitosan microspheres containing phenobarbitone.

Al-Hew, A.A., Al-Angary, A.A., Mahrous, G.M. and **El-Dardiri, M.M.**
J. Microencapsulation, 1998, vol. 15, No. 3, 373-382.

Release and bioavailability of diclofenac sodium from low molecular weight chitosan microspheres treated with Japan and Carnauba Wax.

A.A. Al-Angary, A.M. Al-Helw, **M.M. El-Dardiri** and G.M. Mahrous
Pharm. Ind. 60 Nr. 7 (1998).

Effect of oral activated charcoal on propranolol pharmacokinetics following intravenous administration to rabbits.

M.A. Al-Meshal, Y. M. El-Sayed, A.A. Al-Angary and **M.M. El-Dardiri**.
J. of Clinical Pharmacy and Therapeutics, **18**, 39-44, 1993.

Effect of oral activated charcoal on vancomycin clearance in rabbits with acute renal failure.

El-Sayed, Y. M., Niazy, E.M., Tawfik, A.F., **El-Dardiri, M.M.**
Drugs under Experimental and Clinical Research, **XIX** (1), 19-24, 1993.

In vivo evaluation of arteether liposomes

Abdulaziz A. Al-Angary, Mohamed A. Al-Meshal and ^{*}Mohsen A. Bayomi
M. M. El-Dardiri
International Journal of Pharmaceutics , 1998, Volume 175, 1-7.

Effect of polycarbophil concentration on diclofenac sodium bioavailability suppositories in beagle dogs from

Hosny, E.A. / Niazy, E.M. / El-Dardari, M.M.

International Journal of Pharmaceutics, 1996, 136 (1), p.37-41,

In-Vitro studies on acyclovir Percutaneous absorption: comparison between paraffin, polyethylene glycol and emulsion based ointments

A. M. Molokhia, E. S. Niazy, **M. M. El-Dardari** and Samy A. El-Hoofy

4th Drug Symposium in Saudi Arabia 8-10 January 1989.
