- 1- Al-Khalifa, A.S. and Simpson, K. 1988. Metabolism of Astaxanthin in the rainbow trout (*Salmo gairdner*) *Comp. Biochem. Physio.* V. 91 B, No. 3 PP. 563-568.
 - 2- Al-Kahlifa, A.S. 1993. Chemical composition of selected take-away dishes consumed in Saudi Arabia. *Ecology of Food and Nutrition.* Vol. 30 PP 137-143.
 - 3- Al-Khalifa, A.S. and Al-Kahtani, H.A. 1993. Composition of Ghee (Samn Berris) from cows and sheeps milk. *Food Chemistry.* 46, 373-375.
 - 4- Al-Khalifa, A.S. and Dawood, A.A. 1993. "Effects of cooking methods on thiamin and riboflavin contents of chicken meat". *Food Chemistry.* England. Vol 48, 69-74.
 - 5- Al-Khalifa, A.S. 1993. Content and composition of dietary fiber in selected bakery products and vegetables. *Bulletin of Faculty of Agriculture, Univ. of Cairo,* Vol. 44(2):389-398.
 - 6- Al-Khalifa, A.S. and Mahmoud, R.M. 1993. "Poly phenol oxidase activities and properties in some potato (*Solanum tuberosum*) varieties produced in Saudi Arabia. *Arab Gulf Scient. Res.* 11(3) PP. 377-390.
 - 7- Al-Khalifa, A.S. 1996. Physicochemical characteristics, fatty acid composition, and lipoxygenase activity of crude pumpkin and melon seed oils. *J. Agric. Food Chem.* Vol. 44(4):964-966.
 - 8- Al-Othman, A.A., Al-Fawaz, H.A., Hewedy, F.M., and Al-Khalifa, A.S. 1996. Mineral and vitamin content of mature breast milk of Saudi lactating mothers. *Ecology of Food and Nutrition.* Vol. 34, PP. 327-336.
 - 9- Al-Khalifa, A.S. 1996. Plasma and liver lipid profile of rats fed tallow from camels and sheep. *Alex. Sci. Exch.,* Vol. 17 No. 2, PP. 129-139.
 - 10- Hobani A.I., Hassan, B.H., and Al-Khalifa, A.S. 1996. Pilot scale freeze-drying of pomegranate juices and Roselle extracts. *Misr. J. Agric. Eng.* 13(2):363-375. Egypt.
 - 11- Al-Othman, A.A., Al-Kahtani, H.A., Hewedy, F.M. and Al-Khalifa, A.S. 1998. Plasma lipid profiles of rats fed seed oils of *Moringa Peregrina* and *Salicornia*. *Journal of Applied Nutrition.* 50(1-2):3-11. U.S.A.

- 12- Al-Khalifa, A.S., Hewedy, F.M., Al-Othman, A.A. and Ahmed, D. 1998. Comparison of fatty acid composition of infant formulas with breast milk in Saudi Arabia. *J. King Saud Univ. (Agric. Sci.)*. 11(2):137-148 Saudi Arabia.
- 13- Al-Khalifa, A.S. and Al-Arif, I.A. 1999. Physicochemical characteristics, peroxidase and pollen spectrum of some Saudi honeys. *Food Chemistry* 67-21-25
- 14- Al-Khalifa, A.S. and Al-Othman, A.A. 1999. Fatty acid composition and arachidonic acid intake of selected Saudi foods. *International J. of Food Sciences & Nutrition* 50,255-263
- 15- Al-Khalifa, A.S. Elements in major row agricultural crops in Saudi Arabia. *Agricultural Research Centre, Res. Bull. #74.-5-15*
- 16- Al-Khalifa, A.S. Effect of cooking by different methods on the polyunsaturated fatty acids in six fish species. *J. King Saud Univ.* 10(2):133-144. Saudi Arabia.
- 17- Al-Khalifa, A.S. and Attia, M. Effect of Soy Hull and fat on camel meat patties. *Alexandria Science Exchange.* 18(3):303-311. (Egypt).
- 18- Al-Khalifa, A.S. 1996. Chemical composition and nutritive value of "Dhab" uromastix aegyptius of Saudi Arabia. *J. Ann. Agric. Sci., Ain Shams University, Cairo Egypt.* 41(2):867-874.
- 19- Matalgyto, F.S. and ALKHALIFA, A.S. 1998. Effect of microwave oven heating on stability of some oils and fats. *Arab Gulf J;Sci>Res.* 16-2;431-450
- 20- Al-Khalifa, A.S. 1998. Changes in physicochemical and characteristics, peroxidase and polyphenol oxidase activities in date fruit. *Cairo Sci. J.* 9-11.
- 21 - Al-miman, S. Ahmad, D., ALKHALIFA, A.S. 2001. Effect of microwave heating on composition and oxidative stability of black cumen seed oil, *BULL. Fac. Agric. Cairo Univ.* 52-225-238

22-Abohemad,H. and KHALIFA,A.S. 2001.Food Elements Consumption For High and Primary School students in Riyadh city, Arabian J.for Food and Nutrition 3-18-25

23 -Al-shatwi,A.,Alshamary,G.,Alkhalifa,a.2007,Nutritional Assesment of Hemodialysis Patieents,J.Med.Sci.7(2)294-298
