**II. In the following paragraphs, 10 capital letters are missing. Change the small letters to capital letters wherever necessary. (5 Marks)**

i began to smoke in high school. my friends smoked. it seemed to be a natural “adult” thing to do. but forty years later we all started to hear about the effects of cigarette smoking: lung disease, cancer, and heart problems. I didn’t pay much attention to these reports. I felt healthy, and I thought I was taking good care of myself.

then two tings happened. first, I started to cough. I thought it was just a cold, but it didn’t get better. second, my brother got lung cancer. He got sicker and sicker. he died last year. My brother and i smoked our first cigarettes together over forty years ago, and we smoked our last cigarette together eleven months ago. I sat with him in his hospital room, and decided to quit. no more cigarettes, I told myself.

**III. Combine the two sentences in each pair to make one simple sentence. Use and or Or according to the meaning. Try not to repeat words unless necessary. (5 Marks)**
