

Conferences

- Al-Azhar First International Conference on Recent Advances in Pharmaceutical Technology and Biological Sciences. Adel S. El-Azab Dec. 19-21-1995, Cairo, Egypt.
- 19th ACS National Meeting, San Francisco, CA March 26-30, 2000. Catalytic and Enzymatic Preparation of Levoglucosenone Type Chiral Building Blocks. Kunio Ogasawara, Taniguchi, M. Takeuchi, K. Kadota, Adel S. El-Azab and T. Kurusu. Division of Carbohydrate Chem. Page. 39 (ORAL PRESENTATIONS).
- 8th International Kyoto Conference in New Aspect of Organic Chemistry (IKCO-8), July 2000, Kyoto, Japan. A New Enantiocontrolled Route to the Calabar Alkaloids. Adel S. El-Azab, T. Taniguchi, and Kunio Ogasawara, p. 69.
- Al-Azhar Second International Conference for Pharmaceutical and Biological Sciences, Cairo. A New Controlled Route to (-)-Physovenine and (-)-Physostigmine Alkaloids. Adel S. El-Azab, T. Taniguchi & K. Ogasawara. P. 39, 2001. Al-Azhar hird International Conference for Pharmaceutical and Biological Sciences, Cairo. Synthesis of 7- Substituted Oxymethyl-3-Methyl-6,8-Dioxabicyclo[3.2.1]Octa-2-one as a Key Intermediate for the Synthesis of Natural Products. Adel S. El-Azab.
- The 9th International Pharmaceutical Sciences Conference and Exhibition Future of Medication in the 21st Century. Riyadh, SAK. Synthesis of Some New 4-(3H)-Quinazoline Analouges as Potential Antioxidant Agentes. Adel S. El-Azab, M.A.El-Omar, H.a. El-Obeid, S.G. Abdel Hamide.
- 7th international Saudi Pharmaceutical Conference, 19-21 March 2007, Riyadh, SAK. Synthesis and Evaluation of Some 7-Hydroxycoumarine Derivatives as Antiinflammatory Agents. Adel S. Elazab, S.G. Abdel Hamide, Adnan A. Beckeit and Maged A. Abdel-Kader.
