

Publications

- 1** - Groupes d'automorphismes et applications holomorphes propres, Thèse de Doctorat , Novembre 1997.
- 2** - Applications holomorphes propres entre certains domaines bornés de \mathbb{C}^n , C.R.Acad.Sci. Paris , 326, 1998, 1063-1068 .
- 3** - A local version of Wong-Rosay's theorem for proper holomorphic mappings, Proc.Amer.Math.Soc. 128, No3, 2000, 831-836.
- 4** - Proper holomorphic mappings between rigid polynomial domains in \mathbb{C}^n , Pub.Mat.45, 2001,69-77.
- 5** - Proper holomorphic self –mappings of the minimal ball , Ann. Pol. Mat.2002 LXXIX, 97-107
- 6** - Some compactness theorems of families of proper holomorphic correspondences. Publ. Mat., Barc. 47, No. 1, 31-43 (2003).
- 7** - On proper holomorphic mappings between rigid polynomial domains in \mathbb{C}^{n+1} , [J. Math. Anal. Appl.](#) No. 1, 54-60 (2005)
- 8** - Extension of correspondences between rigid polynomial domains. Ann. Fac. Sci. Toulouse, Math. (6) 14, No. 3, 501-514 (2005).
- 9** - Extension of holomorphic maps between some unbounded algebraic domains in \mathbb{C}^n , accepted for publication.
- 10** - A remark on the Automorphisms Groups of some special domains in \mathbb{C}^n . preprint
- 11** - A local extension of holomorphic maps in \mathbb{C}^2 , in revision
- 12** - Continuous CR-maps between rigid real analytic hyper surfaces in \mathbb{C}^n . submitted .
