

**Department of Chemical Engineering
King Saud University
Employer Survey Form – Fall 2008-2009**

Name: _____

Address: _____

Specify your job position / description?

Specify the type of organization?

Chemical ____ Petrochemical ____ Desalination ____ Other (specify) _____

Number of KSU student supervised:

() 0-2 () 3-5 () 6-9 () Over 10

Based on your association with our graduates, please tell us how well our program prepared graduates in the areas indicated.

Circle a number 1 through 4 in response to each question where:

(4) Excellent (3) Good (2) Satisfactory (1) Need Attention (NA) Not applicable

1- Education at the Chemical Engineering Program at KSU adequately prepared engineers for job after graduation

4 3 2 1 NA

2- Education at the Chemical Engineering program at KSU adequately prepared engineers for further studies after graduation

4 3 2 1 NA

3- Education at the Chemical Engineering program at KSU adequately helped engineers to make transition from traditional chemical engineering fields to other fields (e.g. business, education...).

4 3 2 1 NA

4- Please rate the willingness of our graduates to engage in lifelong learning by earning related certificates and/or professional development course(s), and/or industry training courses.

4 3 2 1 NA

5- Provide any further comments about the strength and weakness of the Chemical Engineering program at KSU.
