July 11, 2005

**Acceptance Notification**

## The Plenary Session

Publishing No. **MA01** (Paper No.) **GM0201**  
Title **The in vivo and in vitro anti-oxidant activity of ghrelin: Attenuation of gastric ischemic injury in the rat**  
Dear Dr. **Ali Al Tuwaijri**  
(Please remember your publishing number for your further presentation.)

The review process for the Scientific Program of APDW 2005 is now completed. The conference has received close to almost 800 submissions.

Based on the recommendations of the reviewers, I am pleased to inform you that your abstract has been selected as a winner of "**Distinguished Free Paper Award**". You are cordially invited to present the abstract at APDW 2005 to be held on September 25-28, 2005 in Seoul, Korea. Please find your name and abstract title on the list of the winners at the website (<http://www.APDW2005.org>).

The guidelines containing detailed information on the preparation of the oral presentation in the distinguished sessions for the laureates, conference registration, hotel reservation, etc., can be downloaded at <http://www.APDW2005.org>. Especially, please note the list of audio-visual equipment which will be available for your use at the conference.

The awarding is made with the understanding that at least one author will PREREGISTER and actually attend the Conference to present the paper. The deadline for pre-registration with the discounted registration fee is August 31, 2005. If the above deadline is not met, the awarding and presentation will be cancelled.

For the most updated information on the conference, please check the conference website (<http://www.APDW2005.org>) and your presentation hour as The Best of Plenary Session Awardee also will be announced at the end of July via the web site.

I would like to take this opportunity to thank you for choosing APDW 2005 to present your research results and I look forward to seeing you in September 2005.

Yours sincerely,
