

CURRICULUM VITAE

AHMED AWAD ABDEL-HAMEED ADEEL

2007

PERSONAL DATA:

Name: Ahmed Awad Abdel-Hameed

Other name: Ahmed Awad Abdel-Hameed Adeel.

Date of Birth: Feb. 10th,1951.

Nationality: Sudanese.

Marital Status: Married, two children: son 26 years, daughter 21 years.

Address:

Professor Ahmed A. Abdel-Hameed Adeel,
 Department of Pathology,
 College of Medicine,
 King Saud University,
 P.O.Box 2925
 Telephone : (00966) 1 4671013 / 471010 (Office)
 MOBILE : (00966)502450641
 FAX 000966 1 4661287
 E-mail aadeel@ksu.edu.sa OR aaadeel@yahoo.com

EDUCATION:

MB, BS (Bachelor of Medicine and Surgery)

-University of Khartoum, 1975.

MPH&TM (Master of Public Health and Tropical Medicine)

- School of Public Health and Tropical Medicine,
 Tulane University,USA,1978.

PhD (Medical Parasitology)

The Graduate School,Tulane University,USA,1981.

PROFESSIONAL REGISTRATIONS:

Sudan Medical Council : Medical Practitioner since 1976,
 Consultant Parasitologist .

Saudi Council for Health Specialties: Consultant Parasitologist

POSITIONS HELD :

Current post is Professor of Medical Parasitology , King Saud University and Consultant Clinical Parasitologist in King Khalid University Hospital and King AbdulAziz University Hospital, Riyadh, Saudi Arabia.

2006 Member of the Support Group of the Technical Review Panel (TRP) of the Global Fund to Fight AIDS Tuberculosis and Malaria.

Member of the WHO Expert Panel on Malaria since 2004.

2004 to date Chairman, The Horn of Africa network for monitoring antimalarial treatment (HANMAT)

I: Cinical Positions:

1975-1976: House Officer(Intern) in Ministry of Health hospitals ,Sudan.

1976-1977: Medical Officer, Shendi Hospital,Sudan.

1984-1986: Consultant Parasitologist, King Abdul-Aziz University Hospital, Riyadh Saudi Arabia (on leave from University of Gezira).

1981-1994: Consultant Parasitologist,Wad Medani Teaching Hospital,Sudan.

1998-date Consultant Parasitologist King Khalid University Hospital, Riyadh

II: Academic Positions:

1977-1981: Teaching assistant, Faculty of Medicine- University of Gezira.Post-graduate student at Tulane University during this period.

1981-1987:Lecturer, Faculty of Medicine University of Gezira. During this period worked on secondment to King Saud University as Assistant Professor in the College of Applied Medical Science , Saudi Arabia Sept 1983 to Jan 1987.

1987-1992: Associate Professor, Faculty of Medicine, University of Gezira.

1992-1998 : Professor of Medical Parasitology, Faculty of Medicine , University of Gezira.

1994 -1998 : Coordinator, Post-graduate Diploma in Malariology

offered at The Blue Nile Research and Training Center,
Wad Medani (contracted by WHO) .
1998 to date Professor of Medical Parasitology King Saud University, Saudi
Arabia

III: Administrative Positions:

Director of the Ford Foundation Grant to the Faculty of Medicine, University of Gezira, 1987 to 1991 (A grant of \$500,000.00 covering 5 years with the theme of "Child Survival")

Head of Microbiology and Parasitology Section, Department of Pathology University of Gezira, 1987 to 1994.

Member of the University Senate , University of Gezira, 1992 to 1998.

Founding Director of the Regional Malaria Training Centre in Wad Medani ,
(The main activity in this center was a training program for one academic year to qualify candidates for the degree of Post-Graduate Diploma in Malariology ,under Special Service Agreement with WHO/EMRO ,1995)

Director, The Blue Nile Research and Training Institute, Wad Medani, 1996 -98
(Contractual Service Agreement with WHO) .

Head of Parasitology Section, College of Medicine, King Saud University, Riyadh from October 1998 to date.

TEACHING EXPERIENCE:

COURSES TAUGHT:

(Courses conducted as first coordinator:)

Parasitology for medical students, laboratory technicians and post-graduate students in Medical Parasitology.

Endemic Diseases (Tropical Medicine) : for final year medical students

Research Methodology : for post-graduate students

Coordinator of post-graduate studies in Parasitology, University of Gezira.

CURRICULUM DEVELOPMENT:

Participant in establishing curriculum of the Faculty of medicine, University of Gezira 1981-1983.

Participant in establishing curriculum of the Department of Clinical Laboratory Sciences , College of Allied Medical Sciences , King Saud University 1983-1986.

Participant in establishing curriculum of the Faculty of medicine, Omdurmaan Islamic University 1991 .

SUPERVISION OF POST-GRADUATE STUDENTS' RESEARCH :

First Supervisor:

1: Relationship Between Parasitaemia and the Clinical Picture in Children With Plasmodium falciparum Malaria. (Osman Hosni Abdel-Razzaq , Thesis for M Sc in Medical Parasitology, University of Gezira,1991)

2: Evaluation of different techniques for stools examination for parasites. MSc in Medical Parasitology (Thesis for M Sc in Medical Parasitology, University of Gezira)

3: In vivo and in vitro sensitivity of Plasmodium falciparum to antimalarial drugs in Wad Medani, Sudan , (Bakri Yousif M. Nour .MSc in Medical Parasitology. University of Gezira)

4:Laboratory and Field Studies on Slow-release of the Molluscicide Niclosamide Using Local Materials to Control the Intermediate Host Snails of Schistosomiasis . (Nagla M. A. Gasm El-Seed, M Sc Medical Parasitology)

5:Clinical Features and Prognostic Indicators of Severe and Complicated Malaria in Wad-Medani Teaching Hospital (MD in internal Medicine, University of Gezira).

Co-supervisor:

Clinical and Epidemiological Features of Cutaneous Leishmaniasis Treated in Wad Medani Teaching Hospital (Abdalla Mohd. Eltom MD in Dermatology)

Morphological Changes in the Placenta in Pregnant Women Infected with Plasmodium falciparum in Gezira,Sudan. (Ahmed Abdel Badie Mohamed ,MD in Pathology , University of Gezira)

SOCIETY MEMBERSHIPS:

Royal Society of Tropical Medicine and Hygiene, since 1984.

Sudan Medical Association, since 1976

FELLOWSHIPS AND GRANTS:

USAID Scholarship to do post-graduate studies in US 1977-78.

British Council Fellowship April - July 1990 . Study visit to London School of Hygiene and Tropical Medicine and Saint George's Hospital Reference Toxoplasmosis Center, London.

Grant from British Council to visit UK (May 15th to June 24th,1994) to write a paper on the history of the Wellcome Tropical Laboratories in Khartoum.

Travel Grant from The Wellcome Trust for a study visit to the Contemporary Medical Archives in London .

Co-recipient of TDR Institutional Strengthening Grant to University of Gezira . 1993 .

Recipient of a Joint EMRO-TDR-CTD small grant for control- oriented research in malaria 1994 for a research project on community use of antimalarial drugs..

Recipient of a Joint EMRO-TDR-CTD small grant for control- oriented research in malaria 1997 for a research project on monitoring therapeutic efficacy of antimalarial drugs .

SERVICES , CONSULTANCIES AND ADVISORY ASSIGNMENTS FOR WHO :

2004- date : Member of the WHO Expert Panel on Malaria .

2006 Member of the Support Group of the Technical Review Panel (TRP) of the **Global Fund** to Fight AIDS Tuberculosis and Malaria.

WHO Short Term Advisor 26-28 November 2006 Assignment : Conducting a national training workshop on malaria case management in Jizan, Saudi Arabia

WHO Short Term Consultant 1July-1 August 2005 Assignment : Training needs assessment for malaria control in Somalia .

WHO Short Term Advisor December 2004-February 2005, Assignment : To develop a system for monitoring response to antimalarials and hold a workshop on monitoring therapeutic efficacy of antimalarial drugs in the Kingdom of Saudi Arabia .

WHO Short Term Consultant 4-25 October 2002 , Assignment : To develop a system for monitoring response to antimalarials and hold a workshop on monitoring therapeutic efficacy of antimalarial drugs in **Republic of Yemen**

WHO Short Term Advisor 3-17 August 2002 Khartoum Sudan , Assignment : To develop a system for monitoring response to antimalarials and hold a workshop on monitoring therapeutic efficacy of antimalarial drugs in **Sudan**

WHO Short Term Advisor , EMRO/ Consultant briefing on the Global Fund to fight AIDS, Tuberculosis and Malaria (GFATM), Cairo , Egypt, 1-3 July 2002.

Contracted by EMRO (APW ref 2002/188) To develop a manual for malaria microscopy June-July 2002 .

WHO Short Term Advisor , EMRO Regional Workshop on Monitoring Antimalarial Drug, **Republic of Yemen** 20-24 April 2002.

WHO Short Term Advisor , WHO/HQ Consultation on Monitoring Antimalarial Drugs, Geneva HQ, 3-5 December 2001

WHO Short Term Consultant on Schistosomiasis Control, Assignment : To review and evaluate the Schistosomiasis Control Program in the Republic of Yemen 15-29 September 2001.

WHO Short Term Advisor on Tropical Diseases Research (member of the selection committee for TDR/EMRO Grants for Small Projects on Tropical Diseases, Cairo August 2001.

WHO Short Term Advisor on Tropical Diseases Research (member of the selection committee for TDR/EMRO Grants for Small Projects on Tropical Diseases, Cairo August 2001.

WHO Short Term Advisor on Tropical Diseases Research (member of the selection committee for TDR/EMRO Grants for Small Projects on Tropical Diseases, Cairo October 2000.

WHO Short Term Advisor on Malaria (to teach in the Regional Malaria Training course on Malaria Bandar Abbas , **Islamic Republic of Iran** October 1999)

WHO Short Term Advisor on Tropical Diseases Research (to assist in developing research project on control of schistosomiasis , Sanaa **Republic of Yemen.** 3-10 August 1999.

WHO Short Term Advisor on Tropical Diseases Research (member of the selection committee for TDR/EMRO Grants for Small Projects on Tropical Diseases, Alexandria June 1999.

WHO Short Term Consultant on Malaria , Pakistan August 1998, In this consultancy I was assigned to develop a system for monitoring response to antimalarials and hold a workshop on monitoring therapeutic efficacy of antimalarial drugs in **Pakistan** .

WHO Short Term Advisor on Tropical Diseases Research (member of the selection committee for TDR/EMRO Grants for Small Projects on Tropical Diseases, Alexandria March 1997

Contractual Service Agreement with WHO/EMRO 1996 -98 : To serve as Director, The Blue Nile Research and Training Institute, Wad Medani, Sudan 1996 -98

Special Service Agreement with WHO/EMRO ,1995: To serve as Founding Director of the Regional Malaria Training Centre in Wad Medani , Sudan. (The main activity in this center was a training program for one academic year to qualify candidates for the degree of Post-Graduate Diploma in Malariology , under Special Service Agreement with WHO/EMRO ,1995)

PARTICIPATION IN INTERNATIONAL MEETINGS AND WORKSHOPS:

Coordinator WHO sponsored national training of trainers workshop on Malaria case management Saudi Arabia 26-28 November 2006

Chair and facilitator , Second meeting of the steering committee of the Horn of Africa Network for monitoring antimalarial treatment (HANMAT) CAIRO, 27-29 September 2005

Chair and facilitator , First meeting of the steering committee of the Horn of Africa Network for monitoring antimalarial treatment (HANMAT) Nairobi , 27-29 July 2004

Meeting on Discussions Towards the Development of an Interregional Network for Monitoring Antimalarial Drug Efficacy in the Horn of Africa Cairo, Egypt, 23-25 March 2004

Coordinator of WHO-sponsored national workshop on monitoring therapeutic efficacy of antimalarial drugs in the Kingdom of Saudi Arabia , December 2004 Saudi Arabia .

Plenary speaker in a conference sponsored by Federal Ministry of Health , World Health Organisation , Médecins Sans Frontières titled TREATMENT OPTIONS AGAINST MALARIA IN SUDAN,, 14-15 October 2003, Khartoum, Sudan <http://www.emro.who.int/rbm/SudanConference1003.pdf>

Epidemiology of Antimalarial drug resistance . Plenary presentation in : Inter-country workshop on monitoring therapeutic efficacy of antimalarial drugs, Sana'a, Republic of Yemen , 21-25 April 2002 <http://www.emro.who.int/rbm/news-yem02-presentatio>

Coordinator of WHO-sponsored national workshop on antimalarial drug policy in Sudan Khatoum, Sudan August 2003 Sudan

EMRO/ Consultant briefing on the Global Fund to fight AIDS, Tuberculosis and Malaria (GFATM), Cairo , Egypt, 1-3 July 2002.

Coordinator of WHO-sponsored “Workshop to Establish a System for Monitoring Therapeutic Efficacy of Antimalarial Drugs in Yemen“, Sanaa 1998.

Coordinator of WHO-sponsored “Workshop to Establish a System for Monitoring Therapeutic Efficacy of Antimalarial Drugs in Pakistan “, Quetta Pakistan 1998.

Coordinator of WHO-sponsored “Workshop to Establish a System for Monitoring Therapeutic Efficacy of Antimalarial Drugs in Sudan “, Wad Medani 5-10 April 1997.

Coordinator of WHO-sponsored “Workshop to Develop Curriculum for the Regional Malaria Training Center” , Wad-Medani 12-15 April 1995.

EMRO/ WHO-sponsored “ Inter-country Workshop on Forecast, Early Detection and Control of Malaria Epidemics”, Khartoum, 16-20 November 1997.

WHO/AFRO Intercountry Workshop on Therapeutic Efficacy Testing of Antimalarial Drugs, 12 May -29 June 1996 Muheza, Tanzania

WHO / EMRO Regional Workshop on Integrated Disease Vector Control .Lahore, Pakistan 14-19 October 1995.

Workshop on the Socioeconomic Impact of Intestinal Helminthes in the Preferential Trade Area (PTA) of Eastern and Southern Africa, Entebbe March 21-23 1994.

International Symposium on Student Assessment. Penang , Malaysia Jan 10-15, 1993.

Infectious and Parasitic Diseases Update, London School of Hygiene and Tropical Medicine, University of London, London, June 11th-15th, 1990

International Symposium on Collaboration between Academic Institutions and Health care Systems ,organized by the Network of Community-Oriented educational Institutions for health Sciences, 1989 Maastricht ,The Netherlands

Fifth International Congress of Parasitology,7-14 August Toronto Canada August1981

Training Course on Laboratory Management , Center for Disease Control,US Department of Health Education and Welfare, New Orleans May 14-16,1980.
