

A wonderful good morning/ evening 4 the most wonderful doctor😊

Hi doctor Reema, how r u? I hope u r fine😊

In fact, I am very well and level 3 is much better than level 2...but it's not as beautiful as level 1...

Of course, coz Dr Reima is not with us😊 Is not teaching us😊

U know Dr, I feel so jealous from level 1 now😊

But (In shallah) u will teach us later😊

In this week Mona came 2 our class and she said (the schedule is much better than the other group 4 her), and I well have perfect days with her , in shallah😊.

Finally, thank u so much teacher 4 ur time😊

ALL LOVE
