CURRICULUM VITAE

Khalid A. Al Wazzan
BDS, Certif. Prostho, MS.

Personal Data

Name: Khalid A. Al Wazzan

Date of birth: November 28, 1962

Nationality: Saudi

Marital status: Married with six children

Place of work: Department of Prosthetic Dental Sciences, College of Dentistry, King Saud University

Academic Rank: Professor

Major: Prosthodontics

Languages: English and Arabic.

Contact Data: Address: King Saud University

College of Dentistry

Prosthetic Dental Sciences Department

P.O. Box 60169

Riyadh 11545

Saudi Arabia

Phone (office): (+966-1) 467-7216

Fax: (+966-1) 467-9015

E-mail: alwazzan@ksu.edu.sa

Current Positions

- Professor and Consultant of Prosthodontics, Department of Prosthetic Dental Sciences, College of Dentistry, King Saud University.
- Member of Scientific council, King Saud University.
- Member of the team preparing the Strategic plan for the King Saud University.

Education and Academic Degrees

1. Master of Science (MS), Graduate College, Marquette University, Milwaukee, Wisconsin, USA. May 23, 1993.
2. Certificate of Prosthodontics, Marquette University, School of Dentistry, Milwaukee, Wisconsin, USA, July 1990 – May 17, 1992.
3. Internship Program Certificate, college of Dentistry, King Saud University, Riyadh, Saudi Arabia, February 20, 1988 – February 8, 1989.
4. Bachelor of Dental Surgery (BDS), college of Dentistry, King Saud University, Riyadh, Saudi Arabia. February 17, 1988.

Employment History

- Professor, Department of Prosthetic Dental Science, College of Dentistry, King Saud University, from November 29, 2006 up to present.
- Associate professor, Department of Prosthetic Dental Science, College of Dentistry, King Saud University, from June 9, 2002 up to November 28, 2006.
- Assistant professor, Department of Prosthetic Dental Science, College of Dentistry, King Saud University, from March 15, 1997 up to June 8, 2002.

- Lecturer, Department of Restorative Dental Science, College of Dentistry, King Saud University, from August 29, 1993 up to March 14, 1997.
- General Practitioner, College of Dentistry, King Saud University, from February 7, 1989 up to August 28, 1993.

Administrative Assignments

- Director of clinics, college of Dentistry, King Saud University, from December 4, 1994 up to April 16, 2001.
- Director of Laboratory, college of Dentistry, King Saud University, from April 26, 1994 up to April 22, 1995.

Councils

- Member of Scientific council, King Saud University, from August 10, 2007 up to date.
- Member of college of Dentistry board, for the Academic year 1999/2000, 2000/2001, 2001/2002 and 2007/2008.
- Member of the Saudi Dental Society board of directors, from January 19, 1994 up to February 19, 2004.

Scientific Publications

A. Master of Science Thesis

Al Wazzan KA. The Accuracy of removable die system in the fabrication of implant frameworks. MS thesis May 23, 1993. Graduate School, Marquette University, Milwaukee, Wisconsin, USA.
Director: Prof. Gerald J. Ziebert

B. Books

1. Al Bagieh N, **Al Wazzan KA**: Infection Control in Dental Practice. A chapter in "Textbook of Oral Medicine", Prabhu SR. Oxford University press, 1st ed., 2004: 20-32.
2. AL-Jarallah JS, Al Wazzan KA, et al: Ethics of the medical profession: A manual guide for medical practitioners. Saudi council for health specialties, 2nd edition, 2003. (in Arabic and English)
3. Al Bagieh N, **Al Wazzan KA**, et al: Infection control procedural manual. College of Dentistry, King Saud University, 1999.
4. AL-Jarallah JS, **Al Wazzan KA**, et al: Ethics of the medical profession. Saudi council for health specialties, 1st edition, 1999. (in Arabic and English)

C. Peer Reviewed Publications (Papers Published in Academic, Specialized, and Refereed Journals)

1. Almas K, **Al Wazzan K**, Al Hussaini I, Al-Ahdal KY, Khan NB:
Temporomandibular Joint Status, Occlusal Attrition, Cervical Erosion and Facial Pain among Substance Abusers.
Odonto-stomatologie tropicale, March 2007; 30 (117): 27-33.

2. **Al Wazzan KA, Al Hussaini IS:**
The Influence of Commercially Pure Titanium and Titanium-Aluminum-Vanadium alloy on the Final shade of Low-Fusing Porcelain.
J Contemp Dent Pract, 2007 February; 8 (2): 097-104.
3. **Al Wazzan KA, Al-Nazzawi AA:**
Marginal and Internal Adaptation of Commercially Pure Titanium and Titanium-Aluminum-Vanadium Alloy Cast Restorations.
J Contemp Dent Pract, 2007 January, 8 (1); 019-026.
4. **Al Wazzan KA, Almas K, Al Hussaini I, Al-Ahdal KY, Khan NB:**
Oral health status, hygiene practices and treatment needs among substance abusers.
Egyptian Dental Journal, accepted for publication in January 2006 issue.
5. **Al Wazzan KA, Al Hussaini I, Al-Nazzawi AA:**
Bond compatibility of low-fusing porcelain to recast titanium.
Pakistan Oral and Dental Journal, June 2006; 26 (1): 125-130.
6. **Al-Nazzawi AA, Al Wazzan KA:**
The effect of recasting commercially pure titanium on the marginal fit of cast restorations.
Journal of the Pakistan Dental Association, 2006 March; 15 (1): 28-34.
7. **Al Wazzan KA, Al Qahtani MQ, Al Shethri SE, Al-Muhaimeed HS , Khan NB:**
Hearing problems among dental personnel in Riyadh, Saudi Arabia.
Journal of the Pakistan Dental Association, 2005 December; 14 (4): 210-214.
8. **Al-Nazzawi AA, Al Wazzan KA:**
Effect of recasting Ti-6Al-4V alloy on the internal and marginal accuracy of complete cast crown.
Pakistan Oral and Dental Journal, 2005 December; 25 (2): 217-222.
9. **Al Wazzan KA, Al Hussaini I.**
Bond strength of porcelain to titanium and titanium alloy, a comparative study with conventional metal-ceramic systems.
Egyptian Dent J. 2005 October; 51 (4): 1925-1933.
10. **Al Wazzan KA:**
Effect of surface treatment of titanium on the color of low fusing porcelain.
Egyptian Dent J. 2005 October; 51 (4): 1917-1923.
11. **Al Hussaini I, Al Wazzan KA:**
Effect of surface treatment on bond strength of low-fusing porcelain to commercially pure titanium
J Prosthet Dent 2005 October; 94(4):350-356
12. **Al Wazzan KA, Al-Ali K:**
Retention of Cast Post and Core Cemented with Three Luting Agents.
Egyptian Dent J. 2005 July; 51(3):1333-1339.

13. **Al Wazzan KA:**
Dental Caries Prevalence in 6-7 year-old schoolchildren in Riyadh region: A comparative study with the 1987 Oral Health Survey of Saudi Arabia Phase I
Saudi Dent J. 2004 May-August; 16(2):54-60.
14. **Al Wazzan KA:**
The Visible Portion of Anterior Teeth at Rest.
J Contemp Dent Pract. 2004 February; 5(1): 53-62.
15. **Al Wazzan KA:**
The effect of three endodontic materials on the bond strength of two resin composite core materials to dentin.
J Prosthodont. 2002 June; 11 (2): 92-97.
16. **Al Wazzan KA:**
The relationship between intercanthal dimension and the width of maxillary anterior teeth.
J Prosthet Dent. 2001 December; 86 (6): 608-612.
17. **Al Wazzan KA, Almas K, Al Qahtani MQ, Al Shethri SE:**
Back & Neck Problems among Dentists and Dental Auxiliaries.
J Contemp Dent Pract. Summer 2001; 2(3): 17-30
18. **Al Wazzan KA, Almas K, Al Qahtani MQ, Al Shethri SE, Khan N:**
Prevalence of ocular injuries, conjunctivitis and use of eye protector among dental personnel in Riyadh, Saudi Arabia.
Int Dent J. 2001 April; 51 (2): 89-94.
19. **Al Wazzan KA, Al Tahawi HM, Al Harbi AA:**
Influence of several materials on the bond strength of glass polyalkenoate to dentin.
Saudi Dent J. 2001 January; 13 (1): 10-15.
20. **Al Wazzan KA:**
The effect of eugenol-containing temporary cement on the bond strength of two resin composite cement materials to dentin.
Egyptian Dent J. 2000 July; 46(3): 1335-1340.
21. **Al Wazzan KA, Al Harbi AA, Hammad IA:**
The effect of eugenol-containing temporary cement on the bond strength of the two composite resin core materials to dentin.
J Prosthodont. 1997 March; 6(1): 37-42.
22. **Al Dosari AM, Al Wazzan KA, Al-Garni M, Abdulmajed A:**
Tooth loss pattern and edentulousness among 1400 Saudi patients.
Cairo Dent J. 1997 March; 13(1): 31-34.
23. **Hammad I, Al Wazzan KA:**
The effect of over glazing on the color of ceramometal complex.

Cairo Dent J. 1996 March; 12(1): 51-63.

24. **Al Wazzan KA**, Al Shammery H, Salama M, Shinawi L:
Dental midline among Saudi patients.
Cairo Dent J. 1995 November; 11 (3): 159-162.
25. **Al Wazzan KA**, Al Haidan A, Al Madi E, Al Mufarj A:
The relationship between facial references and mesiodistal width of maxillary anterior teeth among Saudi patients.
Alexandria Dent J. 1995 October; 20 (4): 39-45.
26. **Al Wazzan KA**:
Variation in mesiodistal crown width and amount of tooth exposure between right and left maxillary anterior teeth.
Egyptian Dent J. 1995 July; 41 (3): 1283-1286.

Thesis supervisions

1. Fawzia S. Al Zahrani: Influence of Dowel Length on Retention of The Fiber Post and Fracture Resistance of Endodontically Treated Teeth. On Going.
2. Nada Khalid Al-Mazrow: Bond Strengths of Three Low-Fusing Ceramics To Ti-6Al-4V and Ti-6Al-7Nb Alloys. Master thesis defended December 4, 2007. College of Dentistry, King Saud University.
3. Ahmad A. Al Nazzawi: The Effect of Recasting Pure Titanium and Titanium Alloy on the Fit of Cast Restorations. Master thesis defended June 13, 2005. College of Dentistry, King Saud University.
4. Ibrahim Al Hussaini: Effect of Surface Treatment on Bond Strength of Low Fusing Porcelain to pure Titanium. Master thesis defended May 23, 2004. College of Dentistry, King Saud University.

Thesis Examination:

1. Amal S. Al Qahtani: A comparison of dimensional accuracy of the splinted and un splinted impression techniques for multiple implant abutments. Master thesis defended November 13, 2007. College of Dentistry, King Saud University.
2. Youssef A Almohimeed: Accuracy of casting: Single cast three-unit fixed partial denture versus single crown. Master thesis defended February 13, 2001. College of Dentistry, King Saud University.

Referees:

1. Evaluation of promotion application for Saudi Universities in the field of Prosthodontics.
2. Evaluation of research manuscript in the field of Prosthodontics submitted for publication in Saudi and regional Journals.

Conferences and Symposia

A. Lectures and Papers

1. 3^{ed} (2008) Infection control in the Dental clinics in Riyadh region symposium. March 26-26, 2008 Riyadh, Saudi Arabia. Invited Speaker, lecture presentations entitle "Bloodborne Pathogens in the dental office and Infection Control".
2. 2nd Infection control and sterilization/disinfection symposium. January 2-3, 2008 Al-Madinah Al-Munawarah, Saudi Arabia. Invited Speaker, two lecture presentations entitle "Bloodborne Pathogens in the dental office and Infection Control" and "Personal Protective Equipments in Dental Care Facility".
3. The 18th Saudi International Dental Congress, January 29-31, 2007 Riyadh Saudi Arabia. Invited Speaker, Lecture presentation entitles "Dental Education in Saudi Arabia: Reality and Vision".
4. Dentistry towards New Frontiers Symposium, December 9, 2006 King Fahad Specialist Hospital, Buraidah, Al-Qassim, Saudi Arabia. Lecture entitles "Restoring Endodontically Treated Teeth".
5. The 17th Saudi International Dental Congress, January 28-31, 2006 Riyadh Saudi Arabia. Paper presentation entitles "The Influence of Commercially Pure Titanium and Ti-6Al-4V Alloy on the Final Shade of Low-Fusing Porcelain".
6. The Saudi dental society annual scientific and IADR Saudi Arabia section meeting, January 10-13, 2005 Riyadh Saudi Arabia. Paper presentation entitles "Bond Strength of Porcelain to Titanium and Titanium Alloy, a Comparative Study with Conventional Metal-Ceramic Systems".
7. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, January 17-19, 2004 Riyadh, Saudi Arabia. Paper presentation entitles "Dental Caries Prevalence in Primary schoolchildren in Riyadh region: A 14 years follow-up study of the Oral Health Survey of Saudi Arabia Phase I".
8. Monthly scientific activities, Saudi Dental society, October 12, 2003 Riyadh, Saudi Arabia. Lecture entitles "Restoring Endodontically Treated Teeth Prior Fixed Prosthodontic Care".
9. Monthly scientific activities, Saudi Dental society, September 28, 2003 Al-Khobar, Saudi Arabia. Lecture entitles "Endodontically Treated Teeth as Abutment for Fixed Prosthodontic Work".
10. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, January 4-6, 2003 Riyadh, Saudi Arabia. Paper presentation entitles "The visible portion of anterior teeth at rest" and lecture entitles "Media and medical ethics".
11. The Saudi dental society annual meeting, January 23-25, 2001 Riyadh, Saudi Arabia. Lecture entitles "Quality assurance in the university Dental clinic system".
12. The 11th Saudi international dental meeting, February 28, to March 2, 2000 Riyadh, Saudi Arabia. Paper presentation entitles "Influence of Eugenol, Zinc Oxide, Iodine Potassium Iodide, Epoxy Resin and Calcium Hydroxide on the bond strength of Ketac-Silver to dentin".
13. Scientific lectures program, Administration of schools health units of Riyadh region, Ministry of education, November 2, 1999 Riyadh, Saudi Arabia. Lecture entitles "Ethics and regulation in dentistry".

14. The annual meeting of the Saudi Dental society, September 5-6, 1999 Riyadh, Saudi Arabia. Lecture entitles "Ethics in Dental Practice" and "Rules and regulation to practice dentistry in Saudi Arabia".
15. The 17th Jordanian Dental Congress, Jordan Dental Association, September 19-22, 1999 Amman, Jordan. Lecture entitles "Importance of sterilization and disinfection in dental practice".
16. Infection control symposium, Ministry of Health, December 15-16, 1998 Riyadh, Saudi Arabia. Lecture entitles "Importance of sterilization and disinfection in dental practice".
17. The 10th Saudi international dental meeting, March 23-26, 1998 Riyadh, Saudi Arabia. Paper presentation entitles "The effect of eugenol-containing temporary cement on the bond strength of two resin composite", poster entitles "Back & Neck Problems among Dentists and Dental Auxiliaries, Riyadh, Saudi Arabia" and poster entitles "Ocular Problems among Dentists and Dental Auxiliaries in Riyadh, Saudi Arabia".
18. The 9th Saudi international dental meeting, January 15-18, 1996, Riyadh, Saudi Arabia. Paper presentation entitles "The effect of eugenol on the bond strength of composite resin core material to dentin" and poster entitles "Mandibular Flexure".
19. The restorative symposium, Saudi Dental Society, April 21, 1994 Riyadh, Saudi Arabia. Lecture entitles "Restorative treatment under crowns and bridges: simple filling, build-ups, and post and core".
20. The 72nd International Association of Dental Research, March 10-13, 1994 Seattle, Washington, USA. Poster entitles "The Accuracy of removable die system in the fabrication of implant frameworks".
21. The 8th Saudi international dental meeting, January 17-20, 1994 Riyadh, Saudi Arabia. Paper presentation entitles "The Accuracy of removable die system in the fabrication of implant frameworks".
22. The 6th Saudi dental meeting, January 29-February 1, 1990 Riyadh, Saudi Arabia. Poster entitles "Labial veneers".
23. The 5th Saudi dental meeting, February 29-March 3, 1988 Riyadh, Saudi Arabia. Poster entitles "Interpretation of laboratory test for patients with history of viral Hepatitis-B".

B. Organizing Conferences and Symposia

1. Member of organizing committee, head of audiovisual committee and member of the scientific committee. The 12th Saudi international dental meeting, April 12-15, 2008 Riyadh, Saudi Arabia.
2. Member of the scientific committee. Applying Fiqh rules on Medical question symposium, January 14-16, 2008, Riyadh, Saudi Arabia. Organized by Religious Affairs, General Directorate of Health Affairs Riyadh Region, Ministry of Health.
3. Member of the scientific committee. The 17th Saudi International Dental Congress, January 28-31, 2006 Riyadh Saudi Arabia.
4. Member of the organizing committee. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, January 17-19, 2004 Riyadh, Saudi Arabia.
5. Member of the organizing committee. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, January 4-6, 2003 Riyadh, Saudi Arabia.

6. Member of the scientific committee. The Sterilization and Disinfection in Dentistry symposium, May 22-23, 2002, King Fahad specialist hospital, Buraidah, Al-Qassim, Saudi Arabia.
7. Member of the organizing committee. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, February 5-7, 2002 Riyadh, Saudi Arabia.
8. Member of the organizing committee. The Saudi dental society annual meeting, January 23-25, 2001 Riyadh, Saudi Arabia.
9. Member of organizing committee and head of audiovisual committee. The 11th Saudi international dental meeting, February 28, to March 2, 2000 Riyadh, Saudi Arabia.
10. Member of the organizing committee. The annual meeting of the Saudi Dental society, September 5-6, 1999 Riyadh, Saudi Arabia.
11. Member of the organizing committee. The annual meeting of the Saudi Dental society, September 30- October 1, 1998 Riyadh, Saudi Arabia.
12. Member of organizing committee and head of audiovisual committee. The 10th Saudi international dental meeting, March 23-26, 1998 Riyadh, Saudi Arabia.
13. Member of the organizing committee and head of audiovisual committee. The 9th Saudi international dental meeting, January 15-18, 1996, Riyadh, Saudi Arabia.
14. Head organizing committee. The Pediatric Dentistry symposium, Saudi Dental Society, August 10, 1995 Riyadh, August 17, 1995 Jeddah, August 24, 1995 Dammam, Saudi Arabia.
15. Head organizing committee. The Prosthodontic symposium, Saudi Dental Society, September 15, 1994 Riyadh, September 22, 1994 Jeddah, September 29, 1994 Dammam, Saudi Arabia.
16. Member audiovisual committee. The 8th Saudi international dental meeting, January 17-20, 1994 Riyadh, Saudi Arabia.

C. Conferences and Symposia Attended (In addition to previously mentioned)

1. 2nd International King Abdulaziz University and the 19th Saudi Dental Society Conference for Dental Technology & Research, March 10-13 2008, Jeddah, Saudi Arabia.
2. 2nd Riyadh International Dental & Pharmacy Meeting. November 6-7, 2007 Riyadh Saudi Arabia.
3. FDI (World Dental Federation) Annual World Dental Congress. October 24-27, 2007, Dubai, United Arab Emirates.
4. The 1st National Guard dental symposium. April 07-09, 2007 Riyadh Saudi Arabia. Attending.
5. The 1st Gulf Scientific Dental Meeting, September 29-30, 2004, Al-Khobar, Saudi Arabia.
6. The 6th Dental Meeting Holy Makkah, October 22-24, 2002 Makkah, Saudi Arabia.
7. The 9th Kuwait dental association conference and the 8th congress of Arab dental organization union, February 19-21, 2000 Kuwait, Kuwait.
8. Symposium of clinical management of post and core cases, Saudi prosthodontic club, Saudi Dental Society, May 19, 1999 Riyadh, Saudi Arabia.
9. The scientific meeting of the Saudi dental society, September 16-17, 1998 Taif, Saudi Arabia.
10. Fifth international symposium on restorative dentistry, Riyadh Armed Forces Hospital, April 6-8, 1997, Riyadh, Saudi Arabia.

11. International symposium on current concepts in the restoration of partially dentate mouth, Riyadh Armed Forces Hospital, October 30-31, 1994, Riyadh, Saudi Arabia.
12. The International symposium on restorative Dentistry, Riyadh Armed Forces Hospital, October 16-17, 1988, Riyadh, Saudi Arabia.

Continuing Educational Courses in the Dental field

1. Attending 5 days workshop entitles "Clinical Concepts in Implant Dentistry", August 4-8, 2008, Universities of Berne and Geneva, held in University of Berne, Berne, Switzerland.
2. Attending 3 days workshop entitles "1st Implant training workshop", July 7-9, 2008, King Saud University, College of Dentistry in collaboration with Nobel Biocare University Partnership Program, Riyadh, Saudi Arabia.
3. Presenting a full day continuing education course entitles "Ethics and regulation in dentistry", April 30, 2008, Saudi Commission for Health Specialties, Pedodontics Training Program and Restorative Training Program, Riyadh, Saudi Arabia.
4. Presenting a half day continuing education course entitles "Restoring Endodontically Treated Teeth", April 23, 2008, Saudi Commission for Health Specialties, Restorative Training Program, Riyadh, Saudi Arabia.
5. Presenting a full day continuing education course entitles "Ethics and regulation in dentistry", May 16, 2007, Saudi Commission for Health Specialties, Pedodontics Training Program and Restorative Training Program, Riyadh, Saudi Arabia.
6. Presenting a half day continuing education course entitles "Ethics and regulation in dentistry", May 10, 2006, Saudi Commission for Health Specialties, Pedodontics Training Program, Riyadh, Saudi Arabia.
7. Presenting a two days Continuing education course entitles "Sterilization and Disinfection in Dentistry", May 22-23, 2002 King Fahad Specialist Hospital, Buraidah, Al-Qassim, Saudi Arabia. Present 3 lectures and 2 workshops.

Continuing Educational Courses in the Administration, Quality and Accreditation fields

Attending several workshops and seminars in the field of Administration, Quality and Accreditation, some of them in the last year were:

1. Attending 5 days workshop entitles "Driving Academic Excellence in 21st century, A best Practice perspective", August 11-15, 2008, European Center for TQM, Bradford University, Bradford, UK.
2. Attending half day workshop entitles "Effective Teaching", July 10, 2008, King Saud University, College of Dentistry in collaboration with Nobel Biocare University Partnership Program, Riyadh, Saudi Arabia.
3. Attending one day seminar entitles "Strategic Planning and Effective Leadership", June 28, 2008, By Prof. Rafik Beekun, Managerial Sciences, University of Nevada, USA.

Sponsored by Strategic Plan project, King Saud University, Riyadh, Saudi Arabia.

4. Attending seminar entitles "The Intersections of Planning, Quality Assurance and Accreditation in Higher Education", May 31, 2008, By Dr. Marjorie Peace Lenn, President Center for Quality Assurance in International Education, USA.

Sponsored by Quality Deanship, King Saud University, Riyadh, Saudi Arabia.

5. Attending one day seminar entitles "Strategy and strategic Leadership", May 20, 2008, By Dr. Steven Walston, Associate professor and co-director of the University of Oklahoma's Executive Healthcare Training Academy, USA.

Sponsored by Quality Deanship, King Saud University, Riyadh, Saudi Arabia.

6. Attending one day seminar entitles "Business Strategies Implementation Successfully", January 14, 2008, By Mr. Robin Speculand the founder and CEO of Bridges Business Consultancy Int. (a global business consultancy specializing in strategy implementation).

Sponsored by AME-consultancy, in cooperation with Riyadh chamber of Commerce & industry, Riyadh, Saudi Arabia.

Membership in Professional Organizations

- Saudi Dental Society. Honorary member , Riyadh, Saudi Arabia
- International College of Prosthodontists. Constituent member, San Diego, CA, USA.
- German Association of Dental Implantology. Active member, Duesseldorf, Germany.
- Saudi Osseointegration & Dental Implantology club. Founding Member, Riyadh, Saudi Arabia.

Committees:

- Member of the team preparing the Strategic plan for the King Saud University. From November 2007 up to present.
- Member of the applied national studies follow-up committee, Deanship of scientific research, King Saud University, from March 2007 up to present.
- Member of the Standing Committee for Appointments, Scientific council, King Saud University, academic year 2008/2009.
- Member of the Standing Committee for Scientific Publication, Scientific council, King Saud University, academic year 2007/2008.
- Member of the team preparing the Health Education Study in the Future Plan (2005-2055) for Higher Education in the Kingdom of Saudi Arabia (AAFAQ), King Abdullah Research & Consulting Institute, King Saud University, April-September 2006
- Member of the committee for establishing (the Saudi society for ethics in health professions), 2003.
- Member of the interview committees of students' acceptance in health colleges of King Saud University, for academic years 2002\2003, 2003\2004, 2004\2005, 2005/2006, 2006\2007, 2007/2008 and 2008/2009.
- Member of the committee to study the establishing (education technology and improving teaching skills center) in the King Saud University, academic year 2000/2001.

Committees in the College of Dentistry, King Saud University:

- Member of the Selecting Demonstrators and general practitioners, October 28, 2008 up to date.
- Member of the Postgraduate committee, Department of Prosthetic Dental Sciences, College of Dentistry, King Saud University, academic year 2006/2007, 2007/2008, and 2008/2009.
- Member of the Curriculum committee for undergraduate courses of Prosthodontic dental sciences department, academic year 2004\2005, 2006\2007, 2007/2008, and 2008/2009.
- Member of the Research Ethics Committee, College of Dentistry Research center, academic year 2005/2006.
- Member of infection control committee May 17, 1995 up to November 29, 2004.
- Member of Interns training program committee February 22, 1995 up to the end of academic year 2001\2002.
- Coordinator of the Cultural and Art student committee for the academic years 2000/2001, 1999/2000, 1998/1999, 1997/1998, 1996/1997, 1995/1996, 1994/1995, 1993/1994.
- Member of Timetable committee in the college from November 29, 1997 to October 11, 2000.

University and Community Service:

- Supervising and examining the master thesis.
- Examining the scientific production submitted for promotion in the field of prosthodontics.
- Supervising Interns researches.
- Clinical supervision for the Saudi Board students.
- Participation in the Saudi Board students' examinations.
- Evaluating manuscripts submitted for publication in dental journals such as the Saudi Dental Journal and others.
- Writing a series of essays in (Afaq) Dental magazine.
- Member of the university and society week committee, College of Dentistry for the fourth (October 21-27, 2000), the third (October 16-20, 1999), the second (April 25–May 1, 1998), and the first (May 28-June1, 1997).
- Lecture entitles "Oral health after the age of 50 years old", the fourth university and society week, King Saud University, October 22, 2000, and a lecture entitle "Proper Management of the Medical Waist", the second university and society week, King Saud University, April 26, 1998.
- Contributor in preparation of 18 Arabic pamphlets about different aspects of oral health. Published several times by the Saudi Dental Society and College of Dentistry.
- Giving and organizing several presentations about oral health for the schools, summer student's centers and social centers.
