

*King Saud University
College of Computer & Information Sciences
Department of Computer Sciences*

Web-based Experts Knowledge Exchange System

► Prepared By
Ahmed Saeed Al-Kholban – 421001273

► Supervisors
Dr. Ghazy Assassa – Dr. Hatim Aboalsamh

*B.Sc. Graduation Project (CSC 496 – CSC 497)
Riyadh, 1427/1428 (2006/2007)*

*Submitted in partial fulfillment of the requirements of the B.Sc. degree
in Computer Sciences*

To my Father & my Mother,
the only major reason of my success after Allah.
Thanks mum & dad, I love you!

Acknowledgment

This project could not have been achieved without Dr. Ghazy. He encouraged and guided me throughout the different steps and stages of this project, never accepting less than my best efforts. I thank him & appreciate what I learned from him.
