EXECUTIVE SUMMARY

- Current position since 2000: professor in the department of Computer Science, College of Computer and Information Sciences, King Saud University.
 - Taught some 9 postgraduate courses and 5 undergraduate courses.
 - Ranked always on the top 5% of the evaluation carried each semester by CCIS students.
- Got the rank of professor in 1988.
- Has **10 NASA/ADS-indexed** papers: [1](#), [2](#), [3](#), [4](#), [5](#), [6](#), [7](#), [8](#), [9](#), [10](#).
- Has a paper classified by **ScienceDirect** in [top 25 hottest article](#) in March 2006.
- Obtained the degree of Doctor of Sciences '**Doctorat d'état es Sciences**' in 1976 in the area of 'CDF' Computational Fluid Dynamics and got the degree of MSc '**DEA**' of Applied Mathematics in 1972.
 - He obtained both degrees from prestigious French institutions: [Ecole Centrale de Lyon](#) & [Université de Lyon](#).
- Graduated from the Faculty of Engineering at Cairo University.
- Graduated from the **Gifted Students Advanced Secondary School** of Ain Shams in Cairo.
- Joined the prestigious French National Scientific Research Center (Centre National de la Recherche Scientifique 'CNRS') and was assigned to the [Ecole Centrale de Lyon](#).
- Is a [Certified Management Consultant](#) (CMC) ® from the [Institute of Management Consultancy in the UK](#).
- Participated in consultancy and research assignments for prestigious organizations in **France and Italy** including **Avions Marcel Dassault-Breguet Aviation**, **Société Nationale d'Etudes et Construction de Moteurs d'Avions (SNECMA)**, **Electricité et Gaz de France (EDF, GDF)**, *Délégation Générale a la recherche Scientifique et Technique (DGRST)*. He worked on many projects for some 50 client companies and worked as a registered consultant with the **Euro-Mediterranean Partnership Programme** - Private Sector Development Programme 'PSDP' - Egypt.
- Backed with more than 35 years of experience, he has some 50 research publications and reports and supervised numerous MSc and PhD students.
- He participated as an active member in many academic activities including Senate Member (College Council), Curriculum development, Information Technology, and Higher Studies and Research committees.
- Has interdisciplinary specialization in many areas including Applied Computing, Computational Fluid Dynamics, Software Engineering, Quality Management, and Business Management.
- Has a rich management cumulative experience in more than 50 projects in multiple business sectors including IT and Software sectors.
- Has interdisciplinary knowledge, rich academic and practical backgrounds, coupled with Certified Management Consultant certification; this interdisciplinary characteristic empowers Professor Ghazy Assassa with the knowledge, tools, and techniques required for navigation in a turbulent and ever competing environment of today's world.

8. Membership of professional bodies:

- [Certified Management Consultant](#) "CMC" from the Institute of Management Consultancy in the United Kingdom
- Associate Member of Institute of Management Consultancy, UK
- [Management Consultants Association](#) – MCA, Egypt
- Registered consultant with the IMC Programme Egypt
- Registered consultant with the x-Euro-Mediterranean Partnership Programme - Private Sector Development Programme 'PSDP'- Egypt
- Registered consultant with the International Executive Service Corp - Center for Business Support 'IESC – CBS', USAID programme - Egypt
- IBM Egypt Consultant Relations Program
- Microsoft VIP program

- Egyptian Engineers Syndicate, Cairo, Egypt
- Saudi Computer Society
- Communication and Information Technology Committee, NDP, Egypt
- International Society for Information Systems, Egypt
- Scientific and executive committees, the 22nd, 23rd, 24th, 25th and 26th Int'l Conferences for Statistics, Research and Computer Applications, Cairo, 1997,1998, 1999, 2000, 2001.
- International Scientific Committee of WASA.

9. Key Academic Qualifications (as relevant to CCIS, KSU)

9.1. Teaching

- Taught many course at under- graduate and Post graduate levels, including the following CCIS course at KSU:

Post-graduate levels

- CSC 540 Software Engineering 1
- CSC 544 Software Engineering 2
- CSC 541 Advanced Software Engineering
- CSC 548 Software Project Management
- CSC 547 Software Measurements
- CSC 572 Computer Graphics
- CSC 598 MSc Project 1
- CSC 599 MSc Project 2
- IS 550 Information and Application Engineering.

[\[Top\]](#)

Under-graduate levels

- CSC 342 Software Engineering
- CSC 496 BSc Project 1
- CSC 497 BSc Project 2
- CSC 495 Selected Topics
- IS 361 Operations Research.

- Ranked always on the top of the evaluation carried each semester by CCIS students.

[\[Top\]](#)

9.2. Supervision of MSc Students

□ **Supervision of MSc researches**

Supervised many PhD and MSc students including the following topics at the department of Computer Science, CCIC, KSU:

- Steganography
- Object Oriented Metrics
- Work Flow
- Software Cost Estimation
- Extreme Programming
- Automated Testing
- Component Based Development

□ **Supervision of On-Going MSc researches**

- Face Recognition Systems
- Automated Testing in Software Education
- Stress Testing
- Mass Detection of RFID
- Software Quality Management.

[\[Top\]](#)

9.3. CCIS Research Center Projects

Principle investigator of the following researches supported by the Research Center of the College of Computer and Information Sciences at King Saud University:

- Mobile finder
- Attendance System
- Extreme Programming in Education.

9.4. University Committees

At the College of Computer & Information Sciences (CCIS), King Saud university (KSU), Riyadh, Saudi Arabia:

- ❑ Council of the Deanship of Higher Studies, KSU.
- ❑ Committee of Scientific Programs, Deanship of Higher Studies, KSU.
- ❑ Evaluation committee for the three Master Programs of the CCIS.
- ❑ PhD programme committee, CCIS.
- ❑ Software Engineering programme committee for the Software Engineering department, CCIS.
- ❑ IT programme committee for the IT department, CCIS.
- ❑ Postgraduate Committee, Department of Computer Science, CCIS.
- ❑ Graduation Projects Committee, Department of Computer Science, CCIS.

At Shoubra Faculty of Engineering, Cairo Egypt :

- ❑ Senate member (College Council), 1984 -1988 & 1995 - 1999
- ❑ Higher Studies and Research committee
- ❑ Information Technology Committee (chairman).
- ❑ Environment Committee.
- ❑ Student Affairs Committee.
- ❑ Energy committee.

At Faculty of Science, King Abdul Aziz University, Jeddah, Saudi Arabia:

- ❑ Senate member (College Council) , 1989 – 1993.
- ❑ Higher Studies and Research committee.
- ❑ Information Systems committee.
- ❑ Professional Day committee.

[\[Top\]](#)

9.5. Curriculum Experience

- ❑ Curriculum development and course specifications of the Joint PhD Programme in Computer and Information Sciences, College of Computer and Information Sciences, King Saud university. 2006 -2007.
- ❑ Software Engineering programme development for the Software Engineering department, College of Computer and Information Sciences, King Saud university. 2006.
- ❑ Information Technology programme development for the Information Technology department, College of Computer and Information Sciences, King Saud university. 2004.
- ❑ Master programme curriculum development, College of Computer & Information Sciences, King Saud University, 2002.
- ❑ Curriculum development, Tiba Training Institute, Madina, Saudi Arabia, Feb, 2002.
- ❑ Curriculum development and course specifications for undergraduate level, Faculty of Engineering at Shoubra, 1998-1999.
- ❑ Curriculum development and course specifications for Postgraduate level, Faculty of Engineering at Shoubra, 1998-1999.

- ❑ Curriculum and course materials development using teaching-by-objective technique for the modernization program of the Egyptian Air Force Academy. TELEMEDIA Inc.(Educational Consultants based in Chicago, U.S.A.).
The task included design of course syllabi and development of student study guide, instructor guide, lab. manual. computer aided instruction, and overhead transparencies, 1987-1988.

[\[Top\]](#)

9.6. Publications, Research and Scientific Activity

- ❑ Research papers and reports 50
- ❑ Attended International conferences 30
- ❑ Ph.D. supervision 6
- ❑ M.Sc. supervision 15
- ❑ Has 10 NASA/ADS-indexed papers: [1](#), [2](#), [3](#), [4](#), [5](#), [6](#), [7](#), [8](#), [9](#), [10](#).
- ❑ Has a paper classified by ScienceDirect in top 25 hottest article in March 2006 - see the list of publications below.

[\[Top\]](#)

9.7. Attended Training, Workshops, Seminars and Symposiums

- ❑ First National Information Technology Symposium “NITS”, College of Computer and Information Sciences, Riyadh, Saudi Arabia, 2006.
- ❑ IMC – EU Tendering Procedures Programme – EEMDC in Association with MCA, 2003.
- ❑ IMC – Using LOGFRAME Methods – EEMDC in Association with MCA, 2002.
- ❑ Quality Management in Information Technology: Current & Future Trends, IESC-CBS “International Executive Service Corps-Center for Business Support” in cooperation with Quality Assurance Institute of Orlando, April 12, 2001, Cairo.
- ❑ ISO 9000:2000 Transition Course, IESC-CBS “International Executive Service Corps-Center for Business Support” in cooperation with Moody International Certification Ltd., March 19-20, 2001, Cairo.
- ❑ Symposium on IT “ e-Xpand Your Business”, IESC-CBS “International Executive Service Corps-Center for Business Support” in cooperation with Gartner Group, January 22, 2001, Cairo.
- ❑ Workshop for the ICT “Information and Communication Technology” Industry, CBI & Expolink, June 20-22, 2000, Cairo.
- ❑ Certified Management Consultants Workshop, European Management Centre, Nov 19-20, 2000, Cairo.
- ❑ Symposium on Distance Education by satellite, Euro- Egyptian Seminar, UNESCO – European Union, April, 1999.
- ❑ Organized and chaired a symposium on Internet in Education and Research , The 22nd Int’l Conference for Statistics and Research, Cairo, May 1997.
- ❑ Computer Image Processing, St. Etienne, France, 1986.
- ❑ Integrated Database Management Design, ICL , Baumont, United Kingdom, 1984.
- ❑ Transaction Machine Environment Facilities, ICL , Baumont, United Kingdom, 1984.
- ❑ Computational Methods, von Karman Institute, Belgium ,1974, 1977, 1978.

- Extensive training/education experience in engineering and management.
- Particular experience in the design of Management Reporting Systems 'MRS' and the application of Balanced Scorecard 'BSC' based on measurable Key Performance Indicators that match organisation strategic objectives.
- Extensive experience in the Information Technology 'IT' , MIS, and software engineering sectors including:
 - Software development for bespoke systems including analysis, design , implementation, testing and installation
 - Database applications
 - Web based systems design and development
 - Computer Aided Design and Manufacturing CAD/CAM
 - Software Quality Management Systems 'CMM, ISO 9000-3, TickIT.
- Extensive experience in Business Management in various manufacturing and services sectors including Information Technology, Engineering Industries.
- Carried out many assignments within the Euro-Mediterranean Partnership. Programme - Private Sector Development Programme 'PSDP' - Egypt including:
 - Business Diagnosis and Initial Survey Study
 - Business Analysis and Business Planning
 - Action Planning study and identification of projects to be implemented
 - Implementation of action plans.
- Carried out many industrial engineering assignments within the IMC-EEMDC.
- Project management including Planning, scheduling, monitoring and evaluation.
- Experience in Implementing Information Technology and Costing action plans projects.
- TQM 'Total Quality Management' including ISO 9000:2000 Quality System and transition from ISO 9000:94 to ISO 9000:2000 issues as well as Environmental Quality Systems ISO 14000 and HACCP.
- Consultancy Services to Mubarak Public Library for acquiring a new Library Information System covering Mubarak Public Library activities within the main branch and its satellite branches in Egypt.
- Consultancy Services to the Information and Decision Support Center, IDSC, the Cabinet, Cairo for the technical evaluation of the Advanced Library Information System, ALIS.
- Technical evaluation of the Egyptian Inter-Universities project for interconnecting the Libraries of the seventeen Engineering Faculties via a LAN/WAN and to the Internet, Engineering & Technical Education Project, Ministry of Higher Education, World Bank, Cairo. (System value LE 4,000,000).
