HOW TO FIND UEA SPORTSPARK

These are directions to the University of East Anglia. The Sportspark is located on the University Drive as you enter the campus off Earlham Road. Sportspark has its own car park (free of charge to Sportspark users).

From London take the M11/A11; just outside Norwich take the A47 (Southern Bypass) in the direction of Swaffham; the University is signposted off at the next exit. If you are driving from the North or the Midlands, you can use the A47 via King's Lynn, or the new A14 as far as Newmarket and then take the A11 to Norwich. UEA is situated on the outskirts of Norwich, around two and a half miles west of the city centre, just off the Earlham Road (B1108) which is one of the main roads out of the city.
