

Coarses taught in the EE Department:

- 1) Basic Electric Circuit Theory (201 EE).
- 2) Electric Circuit Analysis (202 EE).
- 3) Electric Circuit Lab (207 EE).
- 4) Electrical Installations (309 EE).
- 5) Power System Planning (444 EE).
- 6) Reliability Evaluation (544 EE for MSc).
- 7) Optimal Power System Planning (643 EE).
- 8) Reliability Evaluation (644 EE for Ph D).
- 9) Selected Topics (599 EE for MSc).
