QUIZ #2		Name:	
		No.:	
		7: > 52	
- Answer with	h [T]or [F], correct the f	alse ones :	
1. Biuret test is s	specific for the peptide bond	i, it will give positive result even in the pre	esence of tow amino
tou	Reptides bounds	armor2 a as.	
2. When the sol	ubility of proteins increased	d in low concentration of salts it called salt	ting out. [ F ]
		59.	Iting in
3. Proteins will lo	ost their primary structure w	hen we expose them to very high temper	atures. [ 📁 ]
		-1, tertury Secondary	
		77 101 1017 1000	
		s precipitation and denaturation, when it	
4. Hg <sup>+2</sup> is metal in	on, which will cause protein	s precipitation and denaturation, when it	
4. Hg <sup>+2</sup> is metal in	on, which will cause protein		
1. Hg <sup>+2</sup> is metal in	on, which will cause protein	s precipitation and denaturation, when it	
I. Hg <sup>+2</sup> is metal i	on, which will cause protein	s precipitation and denaturation, when it	
1. Hg <sup>+2</sup> is metal i	on, which will cause protein	s precipitation and denaturation, when it	
. Hg <sup>+2</sup> is metal i	on, which will cause protein	s precipitation and denaturation, when it	
. Hg <sup>+2</sup> is metal i	on, which will cause protein	s precipitation and denaturation, when it	
I. Hg <sup>+2</sup> is metal i	on, which will cause protein	s precipitation and denaturation, when it	
I. Hg <sup>+2</sup> is metal i	on, which will cause protein	s precipitation and denaturation, when it	
4. Hg <sup>+2</sup> is metal in	on, which will cause protein	s precipitation and denaturation, when it	
4. Hg <sup>+2</sup> is metal in	on, which will cause protein	s precipitation and denaturation, when it	
4. Hg <sup>+2</sup> is metal in	on, which will cause protein	s precipitation and denaturation, when it	
4. Hg <sup>+2</sup> is metal in	on, which will cause protein	s precipitation and denaturation, when it	
4. Hg <sup>+2</sup> is metal in	on, which will cause protein	s precipitation and denaturation, when it	
4. Hg <sup>+2</sup> is metal in	on, which will cause protein	s precipitation and denaturation, when it
