

Department of Civil Engineering College of Engineering King Saud University	CE497 Graduation Project Report Evaluation Examiner's Assessment Form	
---	--	---

Project Title			
Semester/year			
Project No.			
Specialty			
SNo	Student name	Student ID	Remarks, if any
1			
2			
3			

S. No	Description		Max. Grade	Grade
1	Final Report Organization	Title, Table of Contents, Nomenclatures, List of Figures, List of Tables, Chapters	5%	
2	Writing Quality	Grammar, Paragraphing, Font, Clarity, Borders, Captions of Figures/Tables, etc.	15%	
3	Introduction	Background Review Problem Statement Objectives	15%	
4	Main Body of the Report	Addressing the identified problem using the right technical procedure Reference to the relevant software & technical standards where applicable	15%	
5	Design Methodology	Design component and alternative designs Proposed design and its selection criteria Assembly of drawings and detailed drawings of components	15%	
6	Results and Discussions	Analysis of overall design and/or Experiments Discussions of results Coherence and relevance between all parts of the report	15%	
7	Capstone Aspect	Real-life project Inclusion of at least three specialties	15%	
8	Terminal Sections	Conclusions, Recommendations References, Appendices	5%	
GRAND TOTAL			100%	

Examiner's name	
Signature	
Date	

Please note: This form must be filled in independently by each examiner without the interference of the supervisor and directly handed over to the Capstone Design Project Coordinator.
