## TO WHOM IT MAY CONCERN:

This is to certify that Dr. Mohammad Yasser Alhelou, DOB. 05. 09. 1964, is currently actively participating in a clinical Research in Family/Pediatric Emergency Medicine. He is demonstrating a high level of knowledge in this area of Medicine. He was involved in some Research and had reviewed some of our manuscripts in the past. Dr. Alhelou is eager to learn and this undoubtedly will continue with him. His work has always been well appreciated by all of us.

I wish him well in his professional career and I have no reservation in recommending him to any institution he may apply.

Upon his request he was given this certificate.
