Handout: Find the Footballer!

Work in small groups of three or four: A,B,C,D. One person takes a card the others ask questions. You are trying to guess who is on the card.

Follow the instructions below.

1. Student A takes a card. Do NOT show it to the others in the group!
2. Students B,C, and D take turns to ask a question. The question must be a yes/no question. (eg: Does he/Is he/ Has he…? Did he/Was he…?)
3. Student A answers the questions using a short answer: Yes, (he is/he does/ he has etc. No, he doesn’t/ hasn’t/ isn’t etc.)
4. The winner is the person who guesses the name of the person on the card. He then takes a card and the game continues.
