Dear Dr. Long Yuan,

Paper ID: ACC40354JC

Title: Transient Vibrations in Nanocomposite-Reinforced Concrete Structures: Future Directions in Advanced Concrete Construction

I am pleased to inform you that your paper listed above has been accepted for publication in the "Advances in Nano Research, *An International Journal*".

Please prepare the final manuscript in MS format strictly in accordance with the Guidelines given at:

[https://www.techno-press.com/papers/Instructions_to_Authors\(A\).pdf](https://www.techno-press.com/papers/Instructions_to_Authors(A).pdf) (including Appendices)

and send your final manuscript through:

Final Submission

Once we receive the MS word file from you, your paper will be forwarded to the publishers, and you will hear directly from Techno-Press in the near future as to the galley proofs and the scheduling of publication.

In order to increase the visibility and the citation of your paper, **you may publish your paper Hybrid Open Access** by paying the OA fee of USD 795. Please inform us of your choice by clicking one of the following:

Yes, I want to proceed with Open Access payment.

No, I do not want Open Access publication.

Sincerely yours,
