

Abdossalam M Madkhali, MBBS, MSc (Oxon), DPhil (Oxon)

Assistant Professor, College of Medicine, King Saud University

ammadkhali@ksu.edu.sa , <http://fac.ksu.edu.sa/ammadkhali/>

Education

October 2012- October 2018: DPhil (PhD), Radiation Oncology & Biology Department of Oncology, University of Oxford.

October 2011- September 2012: MSc, Radiation Oncology & Biology, University of Oxford.

July 2009 - June 2010: Certificate of Internship, College of Medicine, King Saud University, Riyadh, Saudi Arabia.

September 2003 - June 2009: M.B.B.S., College of Medicine, King Saud University, Riyadh, Saudi Arabia.

Experience & Activities

February 2025 – Present: Member, University Taskforce for Academic and Educational Transformation, King Saud University.

October 2024 – Present: Member, Academic Discipline Committee, College of Medicine, King Saud University.

February 2024 – Present: Member, Committee for Supporting Outstanding Students, College of Medicine, King Saud University.

January 2024 – Present: Member, Committee for Establishing The Health Data for Research Centre, King Saud University.

January 2024 – October 2024: Member, Team for Academic Accreditation (Standard Three), College of Medicine, King Saud University.

September 2023 – Present: Member, Branding Committee, College of Medicine, King Saud University.

January 2023 – Present: Member, Committee for Supervision of the College of Medicine – Pfizer Agreement.

April 2022 – Present: Director, Alumni Unit, Vice Deanship for Quality and Development,

College of Medicine, King Saud University.

September 2021 – November 2022: Director, Community Relations and Health Volunteering Unit, Vice Deanship for Quality and Development, College of Medicine, King Saud University.

March 2021 - Present: Course director and faculty, “Radiobiology for Radiation Oncologists”: a dedicated course for residents-in-training of the radiation oncology programme, Riyadh, Saudi Arabia.

February 2021- Present: Head, Student Research Unit, Vice-deanship for Academic Affairs, College of Medicine, King Saud University.

February 2021- February 2022: Member, Committee of COVID-19 vaccination at King Saud University Medical City, Riyadh, Saudi Arabia.

November 2020 – Present: Member, Oncology Centre Board, King Saud University Medical City.

December 2019 – September 2021: Deputy Director, Community Relations and Health Volunteering Unit, Vice Deanship for Quality and Development, College of Medicine, King Saud University.

November 2019 – Present: Director, Student Research Support Unit, College of Medicine Research Centre, King Saud University.

November 2019 – Present: Member, Central Committee for Scientific Research, College of Medicine, King Saud University.

September 2019 – August 2023: Chairman, Departmental committee for events, activities, and community service, Department of Medicine, College of Medicine, King Saud University.

February 2019 – Present: Assistant Professor, Radiation Oncology, College of Medicine, King Saudi University.

March 2017- March 2018: Common Room’s Treasurer and member of the Governing Body, Linacre College, University of Oxford, UK.

April 2015 – February 2019: Lecturer, Radiation Oncology, College of Medicine, King Saudi University.

December 2014 – December 2015: Common Room’s Social Secretary, Linacre College, University of Oxford, Oxford, UK.

December 2013 – December 2014: Common Room’s Charities and Development Officer, Linacre College, University of Oxford, Oxford, UK.

March 2012 – March 2013: Common Room President and member of the Governing Body, Linacre College, University of Oxford, Oxford, UK.

October 2010 – April 2015: Demonstrator, Radiation Oncology, College of Medicine, King Saud University.

October 2010- September 2011: Deputy Supervisor, Health Education Project, College of Medicine & University Hospitals, King Saud University.

August 2009- December 2009: Head, organizing team of the “King Saud University Students’ Research Preparatory Symposium for SSC”, held in Riyadh, 9-10 December 2009

August 2009- September 2010: Co-founder, and member of the board of the “Students’ Partnership Programme” at King Saud University.

May 2009- October 2010: Founding partner, chief co-coordinator, Health Education Project, College of Medicine & University Hospitals, King Saud University.

January 2009 – September 2011: Member, Health Education Center, College of Medicine & University Hospitals, King Saud University.

September 2008- March 2009: Head, organizing team of the “Third Medical Career Day”, held in Riyadh, 11-12 March 2009.

September 2007- June 2008: Adviser to his Excellency, Rector of King Saud University, as a member of the Advisory Students’ Board for his Excellency.

Presented at the European Society for Radiation Oncology (ESTRO) annual meetings 2014-2017.

Presented at the Annual Meeting of Particle Therapy Co-operative Group, 2013, 2016, and 2017.

Presented at the American Society for Radiation Oncology (ASTRO) annual meeting, 2016.

Eclipse Basic Operations Course and Eclipse in Clinical Practice Course, Cham, Switzerland (2015). Radiobiology & Radiobiological Modelling in Radiotherapy, Port Sunlight, UK (2013).

Awards and Honours

2015: Honours Board, Saudi Arabia Cultural Bureau – London.

2015: Academic Distinction Award for 2014-2015, Saudi Arabia Cultural Bureau – London.

2015: Academic Distinction Award for 2012-2013, Saudi Arabia Cultural Bureau –

London.

2014: Thomas Linacre Studentship, Linacre College, University of Oxford.

2003: Third Place, King Abdulaziz City for Science and Technology National Mathematics Contest.

2003: Bronze Medal, Gulf Cooperation Council Contest in Mathematics, Bahrain.

2002: Third Place, The National Biology & Life Sciences Contest, Eastern Province, Saudi Arabia.
