

Curriculum Vitae

Ahmad A. A. Jello

Assistant Professor

King Saud University

e-mail : ajello@ksu.edu.sa

College of Science

Office Room: 1A 129/3 B4

Department of Mathematics

Office phone

EDUCATION:

Fall ' 90-Fall'93 Ph.D. in mathematics – University of Tajikistan

Title Boundary problem for a class of PDE at singular point.

Fall' 89 – 90 M. Sc in Pure mathematics – University of Tajikistan

PROFESSIONAL EXPERIENCE:

93-98 Assistant Prof. Department of Basic sciences – College of Agriculture -University of Damascus

98-2001 Assistant Prof. Department of Basic sciences- College of Engineering and Technical Sciences - University of Sabha – Libya

2001-2002 Assistant Prof. Department of Basic sciences – College of Agriculture -University of Damascus

2002-2008 Assistant Prof. Department of Mathematics – College of Sciences -University of Aleppo

2008-2014 Assistant Prof. Department of Mathematics – College of Teachers – King Saud University

2015-2023 Assistant Prof. Department of Mathematics – College of Sciences – King Saud University

2016-2023 ISO Committee coordinator – department of mathematics

Alumni Committee Coordinator - department of mathematics

Member of the alternative Exam. Committee- department of mathematics

Member in KPI, s Committee- department of mathematics

PUBLICATIONS:

1- "Integral Formulas and Boundary Problems for a class of PDE fourth order with a general singularity", 1992, Tajikistan Academy.

Class of PDE fourth order with singularity in Origin Point " 1992,
2- Tajikistan Academy.

3- "Boundary Problems for a class of PDE fourth order with a general singularity", The international Conference of young Scientists, 14-18 Sep. 1992, Kyiv- Ukraine

Dynamics of the steel Structure of the Gantry Crane", 2005- Syria Aleppo
4- 'Research Journal

5- "Study Of Class of PDE fourth order with singularity in Origin Point "
2007, Syria- Aleppo Research Journal.

TEACHING EXPERIENCE:

I taught the following courses:

Calculus (1) (Differential Calculus)

Calculus (2) (Integral Calculus)

Partial Differential Equations

Ordinary Differential Equations

Real analysis (1)

Vector Calculus

LANGUAGES:

1-Arabic

2-Russian

3- English
