BOOKS

Nicholas Johnson and Brendan Markey-Towler. "The Economic of The Fourth Industrial Revolution: Internet, Artificial Intelligence and Blockchain", Translated by Mohamed, Nashwa and Kamal, Karima, Institutional Financing Initiative, Deanship of Scientific Research, King Saud University. Forthcoming.

PROFESSIONAL ACTIVITIES

PEER REVIEW & EDITORIAL ROLES

- **Springer Nature (Snapp Platform)**, 2026–Present.
Reviewed manuscripts for: *Humanities and Social Sciences Communications*, *Discover Sustainability*, *SN Social Sciences*, and *Quality & Quantity*.
- **Faculty Promotion Research**, Shaqra University, Saudi Arabia, 2026.
- 15th Scientific Forum, King Saud University, 9 May 2025.

Peer Reviewer for the following journals and institutions:

- University of Sharjah Journal of Humanities and Social Sciences
- Arab Journal of Administrative and Economic Sciences, Majmaah University
- Deanship of Scientific Research, University of Tabuk
- Journal of the Institute of Public Administration
- Jordan Journal of Economic Sciences
- International Journal of Economics and Business Modeling

- Journal of Insurance and Financial Management (Canada)
- International Journal of Business and Management (Canada)
- Darah Journal, King Abdulaziz
- National Center for Youth Research.

Expert Reviewer, Academic Exchange Information Center (AEIC), China, 2021.

EDITORIAL MEMBERSHIPS

- Amity Journal of Economics, Amity University, India.
- International Scholars Journals.
- International Journal of Business and Management.
- Asian Council of Science Editors (No. 20.12223).

STUDENT SUPERVISION

PhD Supervision (Ongoing)

Supervising doctoral research in Economics (ongoing).

Master's Theses

- Elswidaan, Jawahir (2012), "Impact of electricity consumption on carbon emissions in the Kingdom of Saudi Arabia".
- El Mousa, Bouthina (2012), "Foreign trade and financial development in Saudi Arabia".
- El Dhobaaie, Mashaael (2012), "Determining the optimal currency peg for GCC countries".
- El Mahdy, Bushra (2014), "The impact of trade liberalization on air pollution in Saudi Arabia".

Undergraduate & Postgraduate Supervision

- Supervision of research projects for undergraduate and postgraduate students since 2008 to present.
- Details available at: <https://fac.ksu.edu.sa/nmohamed/course/191273>
- Supervised 15 undergraduate research and graduation projects involving 47 students across three courses: International Finance (9), Foreign Trade Policies and Regulations (3), and Graduation Project (3), with participation in the Scientific Posters Exhibition, Second Scientific Research Day, College of Business Administration, 2 December 2025.

ACADEMIC EVALUATION & JUDGING

- Member, Research Evaluation Committee (Humanities), Third–Sixth Scientific Meetings, King Saud University, 2012–2015.
- Judge, Master's-Level Project Course (Feasibility Analysis), College of Business Administration, Princess Nourah bint Abdulrahman University, 6 June 2023.
- Organizer and Evaluator, Fifth Scientific Research Forum for Graduation Projects, Economics Department, King Saud University, Second Semester 2025.
- Chair, Scientific and Organizational Committee, Third and Fourth Conferences of Colleges of Administrative Sciences in GCC Countries, May 2024 and April 2025.

LEADERSHIP & COMMITTEES

- Chair, Scientific Research Committee, College of Business Administration, King Saud University, 1447 (First Semester).
- Chair, Scientific and Organizational Committee, Third Conference of Colleges of Administrative Sciences, May 2024.
- Chair, Scientific Research Committee, College of Business Administration, King Saud University, 1444–Present.
- Chair, Scientific Research Committee, Economics Department, King Saud University, 1443–Present.
- Member, Scientific Research Committee, Economics Department, King Saud University, 1447 (First Semester).
- Chair, Scientific Research Committee, Economics Department, King Saud University, 1446 (Second Semester).
- Supervisor, Scientific Research Unit, College of Business Administration, King Saud University, Academic Years 1446–1447.
- Organizer, Fourth Conference of Colleges of Administrative Sciences, Kingdom of Saudi Arabia, 21–22 April 2025.
- Organizer, Scientific Research and Creative Economic Thought Forum, Economics Department, CBA, KSU, Second Semester 2024.
- Organizer, First Scientific Research Day, 27 November 2024, College of Business Administration, King Saud University, as part of administrative assignment as Supervisor of the Scientific Research Unit, First Semester 2024.
- Organizer, Second Scientific Research Day, College of Business Administration, King Saud University, 2 December 2025.
- Organizer, Open Meeting on Deanship of Scientific Research Programs, College of Business Administration (Building 67), King Saud University, 14 October 2025.
- Organizer, Series of Workshops to develop research skills and promote research culture, College of Business Administration.

REWARDS

- "The Best Paper", at Conference of Zakat and Comprehensive Development, Ministry of Justice, Waqf in cooperation with Center of London and Cambridge for Consultancies, Bahrain, 15-17 October 2019.
- Winner of TFC (Technology Foresight Center) Research Award, Ministry of Communication and Information Technology, **LEAP conference**, 6-9 Feb. 2022. For research entitled: ***"The Digital Economy and Sustainable Development: Analyzing the Relationship in Light of COVID-19 and Climate Change Development"***.

DEMONSTRATED EXCELLENCE IN MENTORING AND SUPERVISING HIGH-IMPACT RESEARCH CONDUCTED BY UNDERGRADUATE STUDENTS, LEADING TO MULTIPLE AWARD-WINNING OUTCOMES.

2025

- Student (Noura Khalid Al-Furaih) awarded **Second Place** in the 15th Scientific Forum, Humanities and Social Sciences Track, for undergraduate graduation research, 7 May 2025.
- Students awarded **First Place** in the Scientific Poster Competition, Second Scientific Research Day, College of Business Administration, for the research titled: "Trade Relations between Saudi Arabia and Russia in Light of U.S. Policies".

- Students awarded **Third Place** in the Scientific Poster Competition, Second Scientific Research Day, College of Business Administration, for the research titled: "The Impact of Trade Policies on Carbon Neutrality and Sustainable Development in Saudi Arabia".
- Student (Hadeel Al-Saleh) awarded **First Place – Best Graduation Research**, organized by the Saudi Economic Association, for the research titled: "The Impact of Thermal Insulation on Improving Energy Efficiency in Buildings to Reduce Carbon Emissions Using Physical Models and Game Theory in Saudi Arabia".
- Student (Layan Al-Sultan) awarded **Third Place – Best Graduation Research**, organized by the Saudi Economic Association, for the research titled: "Foreign Direct Investment and Its Impact on the Growth of Small and Medium Enterprises in Saudi Arabia".

2023

- Awarded **First Rank – Scientific Poster**, for the research titled: "The Impact of the Global Partnership Axis in the United Nations 2030 Sustainable Development Plan on the Economic Empowerment of Women in Saudi Arabia", Scientific Posters Fair, Center of Humanities Research, Deanship of Scientific Research, King Saud University, 31 May 2023.

2022

- Awarded **Best Paper Prize**, for the research titled: "Obstacles to the Role of Small States in Solving the Problem of Unemployment in Saudi Arabia: An Applied Study", First Scientific Conference on Labor Markets Research, Studies, and Indicators, 17–18 May 2022.

2020

- Awarded **Certificate of Excellence**, for the research titled: "The Effect of the Spread of Epidemics and Diseases on Economic Growth of East Asian Countries", 9th International Conference on the Effects of COVID-19, London Center for Research & Social Consultancy, 6–8 June 2020.

TRAINING PROGRAMS & WORKSHOPS

- *A cooperative training program (1995- 1996) in:*
 - The Village of Goods, the Egyptian Customs Authority, Egypt.
 - Khalda Petroleum Company, Egypt.
 - Petrojet Petroleum Company, Egypt.
- *Teacher preparation*, Egypt, 2005.
- *Recent trends in teaching*, Egypt, 10-13 Sep. 2006.
- *Teaching for the large and small numbers*, Egypt, 12-14 Nov. 2006.
- *Credit Hours*, Egypt, 28-30 Nov. 2006.
- *Using Technology in teaching*, Egypt, 2-4 July 2006.
- *Preparation of environmental impact assessment experts for industrial projects*, the Ministry of Environmental Affairs, Egypt, 27-29 Dec. 2006.
- *Designing scientific courses' materials*, Egypt, 26-27 April 2007
- *The Smart Room*, King Saud University, 19/1/1431.
- *The requirements of The National Assessment and Accreditation*, King Saud University, 05/18/1431.
- *Infrastructure Quality of the Supporting Services*, King Saud University, 8-10 /4/1430.
- *Scientific research*, King Saud University, Dec. 2009.
- *"SWOT"*, Deanship of Quality, King Saud University, 22/11/1431.

- *Recent trends in the scientific research industry*, King Saud University, 11/11/1432.
- *Necessary Scientific Considerations before Publication in the ISI Journals*, Deanship of Scientific Research, King Saud University, 05/18/1433.
- *The basics of e-learning management system (Black board)*, King Saud University, 22 Dec. 2012.
- *Electronic Evaluation and Exams*, King Saud University, 24 Dec.2012.
- *“Twitter” step by step toward better learning*, Department of Education Technology, King Saud University, 04/05/1434.
- *Writing proposals for research projects and grants*, King Saud University 30 April 2013- 1st May 2013.
- *Build and manage work teams*, King Saud University, 09/11/1434.
- *Scientific publishing in international journals*, King Saud University, 62-27 / 11/1434.
- *Software of references (Endnote)*, King Saud University, 15/2/1435.
- *Assessment of learning outcomes*, King Saud University, 8-9/7/1435.
- *Skills for Teaching Effectiveness*, King Saud University, 14-15 /7/1435.
- *Develop teaching file*, King Saud University, 13 /7/1435.
- *Presentation using “Power Point*, King Saud University, 28-29/10/1435.
- *Microteaching*, King Saud University, 20/11/1435.
- Workshops organized by the vice deanship of Quality and Development during 1st semester of 2014-2015:
 1. *The CBA Mission Awareness*
 2. *Scope of AACSB Accreditation/ AQ&PQ Faculty Classification*
 3. *Intellectual Contribution Profile of Faculty Members*
 4. *Advanced Assurance of Learning-Closing The Loop*
 5. *AACSB-2003 Standards and Faculty Members’ Role in Accreditation*
 6. *Analysis of Course Report*
 7. *AACSB Workshop on Teaching Effectiveness/ Student Engagement*
- *Feedback as a tool for better learning*, Skills development Deanship, King Saud University, 4 Nov.2015.
