CURRICULUM VITAE SUMMARY

Dr. Ali Nasser Alshuraymi works as an Assistant Professor of Physical Education in the Curriculum and Instruction Department at King Saud University, Saudi Arabia. His research interest lies in physical education and sport pedagogy, focusing on enhancing physical education teachers' instructional practices and fostering students' motivation and meaningful learning experiences. He has authored multiple high-impact studies published in Q1 and Q2 journals. He has extensive experience in sports and fostering a healthy lifestyle for all. He has also attended and actively participated in numerous conferences, workshops, webinars, and volunteer initiatives at both national and international levels. In addition, he has completed several training courses in sports and physical education, teaching and learning, and related fields, delivered in both Arabic and English.
