ENGLISH LANGUAGE CERTIFICATE

Mr. Raja Rizwan Hussain Regd. No.96-Civil-843 has passed his Bachelor's degree examination in Civil Engineering from this university in 2000.

It is a pleasure for me to certify that the medium of instruction at this university is English. This means that for professional training English has been Mr. Hussain's first language. In my opinion he should have no language difficulty in pursuing post-graduate studies at an institution where the medium of instruction or communication is English.
