3rd Oral Presentation (Design Project Progress)

FALL 2022

Brief advices

- Each group has 5-6 minutes to present their progress:
problem formulation, human factors, concept generation, weights/rates
- As with previous presentations, make sure:
 - Groups must use the time properly
 - Speak slowly with a high tone
 - Establish eye-contact with audience
 - Maintain professional group dynamics with your team members
 - Properly manage the question session
 - Plan where everyone will stand and who will say what
 - Follow your group leader's instructions
