Dear 2012 AAPG IBA teams,

Congratulations on your participation and completion of the 2012 AAPG IBA program. The AAPG IBA Committee wishes to thank you for participating and we hope you will find the experience a great benefit to your career.

Enclosed you will find a Certificate of Participation for your university department, signifying your school as an AAPG IBA program institution.

In addition, the AAPG IBA Committee codified the format by which you as individuals may refer to your participation in the AAPG IBA program. We will insure that the major sponsors of the program, along with key industry individuals and companies are made aware of what will be our standard reference.

If your school participated in a 2012 AAPG Region and Section event, your reference is:

"2012 AAPG IBA Team, [Name of School]"

You may add the language of first, second, or third place after the school name if your institution earned that recognition.

If your school qualified for the global finals program at the AAPG Annual Conference and Exhibition, your reference is:

"2012 AAPG IBA Team, [School Name], Global Competition Finalist - AAPG [Section or Region name]"

You may again add the language of first, second, or third place but this time after the AAPG Region or Section name. If you are unfamiliar with what Section or Region you competed in, your school will be listed under the Region or Section it competed in, on the AAPG IBA webpage ([www.aapg.org/iba](http://www.aapg.org/iba)). If there are any questions on this reference, please do not hesitate to contact us [See "contacts" on the AAPG IBA webpage].

Finally, on the AAPG IBA webpage, there is very special area where we invite you to share your AAPG IBA experience with professionals, students, and future AAPG IBA competitors. Visit the AAPG IBA webpage and select the "My IBA Experience" for more information and see what others have been saying about the program.

Again, we thank you for your participation in the 2012 AAPG IBA program.

Sincerely Yours,  
Steven L. Veal  
Chairman  
AAPG IBA Committee
