

Abdulaziz Hesham Abobotain

Date of birth: 20/08/1990.

Marital status: Single.

Address: 266, Ba'albek street, King Abdullah district, Riyadh, KSA.

Contact number: +966542253268

Email: abdulazizababtain@gmail.com

Career Objectives:

Aspiring to become a world class surgeon scientist specializing in neurosurgery. My aim is to study neurosurgery and practice it at the highest of levels and become an influential figure in the field locally and internationally.

Education

- 2013: MBBS degree, College of Medicine, King Saud University, Riyadh.

Honors and Awards:

- 2012: Letter of appreciation from chairman of the neurosurgery unit at King Khaled University Hospital for participating in the organization of "Spine Update".
- 2010: Letter of appreciation from the dean for representing third year medical students during the NCAAA's academic accreditation visit.
- 2010: First place in oral presentations in the "Second KSU Students' Scientific Symposium"
- 2009: Second place in poster presentations in "First KSU Students' Scientific Symposium".

Certifications and Licensure

- Medical Council of Canada Evaluating Examination (MCCEE).
- USMLE step 1.
- International English Language Testing System (IELTS).
- CITI program certificate in biomedical research.
- Advanced Cardiac Life Support (ACLS) provider.
- Advanced Trauma Life Support (ATLS) provider.
- Basic Life Support (BLS) provider.
- International English Language Testing System (IELTS).
- KET, PET, FCE, CAE and CPE certificates.

Electives and Clinical Experience

- 2013/2014: Completed two elective rotations in neurosurgery during my internship year in King Fahd Medical City (KFMC) and King Saud University Medical City (KSUMC).
- 2013: Completed a 1-month elective rotation in neurosurgery at Brigham and Women's Hospital and The Children's Hospital of Boston.
- 2013: Attended the John Van Geest for Brain Repair Spring School, Cambridge, UK.
- 2012: Completed a 7-week preparation course for the USMLE step 1 exam.
- 2011: Completed a 1-month elective rotation in neurosurgery at King Khaled University Hospital.
- 2009: Completed an intensive 1-week training course in stem cell biology at the KSU College of medicine's stem cell research unit.

Research experience:

- Primary Benign Leiomyoma of the Neck: a Case Report and Review of the Literature. (ongoing)
- Patterns and Predictors of Ventriculoperitoneal Shunt Malfunction in Saudi Arabia: a Prospective, Observational Study in a Teaching Hospital. (ongoing)
- 2010: Completed the 2nd Research Summer School (RSS) at the King Abdullah International Medical Research Center.

- **Publications:**

- 1- Alhabib A, **Abobotain A**, Aleissa S. Traumatic retropulsion of T10 vertebra in a 5-year-old boy with involvement of neurocentral synchondrosis: a case report and review of the literature. *Child's Nervous System*. Jul 2013;DOI 10.1007/s00381-013-2227-0
- 2- **Abobotain AH**, Sheerah HA, Alotaibi FN, Joury AU, Mishiddi RM, Siddiqui AR, et al. Socio-demographic determinants of antibiotic misuse in children. A survey from the central region of Saudi Arabia. *Saudi Med J* 2013 08;34(8):832-840.

Presentations

- 2013: Poster presentation at the International Spinal Cord Society (ISCOS) annual meeting.
- 2013: Speaker at the 4th King Saud University Students' Scientific Symposium.
- 2012: Became the youngest speaker in the history of the Saudi Association of Neurological Surgeons (SANS).
- 2012: Speaker at the 8th International Scientific Conference for Medical Students in the GCC Countries.

Conferences and Symposia

- 2014: Attended the 1st KSU Spine Symposium.
- 2012: Attended a workshop titled "Interactive Session on Neurological Localization" during the 8th International Scientific Conference for Medical Students in the GCC Countries.

- 2012: Attended a workshop titled “Introduction to Cytogenetic Techniques” during the 8th International Scientific Conference for Medical Students in the GCC Countries.
- 2012: Attended the First Saudi International Spine Conference and completed its accompanying cadaveric course.

Community service/Volunteer Experience

- 2014: Team leader in the public education campaign “Think for Safety”.
- 2014: Medical aid trip to the southern province as part of the “Hayat” volunteering club.
- 2012: Joined “Sawaed Atheeb”, a non-profit organization promoting social development.
- 2012: Contributed to a series of educational brochures aimed at increasing public awareness about various spinal disorders.
- 2011: Founded the “Saudi Medical Students Neuroscience Club” Facebook page.
- 2011: Member of the “Spine Update” organizing team.
- 2011: Member of the KSU student delegation to the Republic of South Korea.
- 2010: Cofounded the Prince Salman Loyalty Program, a KSU endowment project.
- 2010: Participant in the blood donation campaign “A Drop of Blood Can Save Lives.”
- 2010: Joined the KSU Health Education Project under the lab services team.
- 2009: Participated in organizing the diabetes awareness campaign “Halak Zayed”.
- 2009: Participated in organizing the Third Medical Career Day (MCD 3).
- 2008: Attended a workshop titled “Diabetes Mellitus, Basics and Updates.”
- 2007: Took part in the Mathematics Olympics organized by King Fahd University for Petroleum and Minerals.

Memberships

- Member of the Saudi Association of Neurological Surgeons (SANS).
- Resident member of the Walter E. Dandy Neurosurgical Society.

Interests

During my free time, I enjoy professional SCUBA diving, reading about cosmology, theoretical physics and evolutionary biology as well as historical fiction and classic literature. I am fluent in Arabic and English and can communicate in simple French.
