

**Best Innovation Idea**

Applications of Research agenda

Dr. Mohammed Faruk Iqbal, Mohammed Yasser Ahmed

Faculty of Mechanical Engineering, Cairo University

Faculty of Mechanical Engineering, Cairo University

**Affordable indigenous Orthopedic Prosthesis**  
Designed cost-effective components (P300-1.5)

**After-pain Assistive Device**  
Capacity of supporting 142 kg

**Bone Drilling**  
New method

**Customizable Spring**  
Innovative design

**Spine for**  
Ligation

**Joint Biomechanics on Inclined Surface**  
Support with biomechanics

**Pediatric**
