

## Attention CE 496/CE 497 Students and their Supervisors

All the students of CE 496 and CE 497 Graduation projects and their supervisors are suggested to strictly follow the following deadlines:

| S.No. | Items   | Due Date | Week #           |
|-------|---|----------|------------------|
| 1.    | Midterm exam of CE 496 and CE 497<br>[During the Midterm exam, students are expected to give a short presentation of their work and work progress. 20% of the total marks will be assigned to this exam.]                       | TBA      | 8-10             |
| 2.    | For both CE 496 and CE 497, submission of two hard copies of the final report by the students<br>[Reports must be duly signed by the supervisors. Reports will not be accepted if they do not have the supervisors' signature.] | TBA      | 14               |
| 3.    | Submission of supervisors' marks (by the supervisors)   | TBA      | 15<br>(GE* week) |
| 4.    | Final exam and presentation of CE 496 and CE 497 projects   | TBA      | 15<br>(GE* week) |
| 5.    | Submission of Final exam marks by the examination committees  | TBA      | 16               |

\*GE: General Exam

Note:

- Submission of the reports will be to Eng. Yasser Alsayed, and submission of all the marks will be to Prof. Ashraf Refaat or Prof. Nadeem Siddiqui.
- After the final exam, all the comments given by the examination committee on the report must be incorporated by the students and approved by the supervisors. This report will then be signed by both the supervisors and the examiners and submitted to the Department for the archiving.
- Students who achieve "A" or "A+" grade must also submit a poster of their project.
- As per the College rule, the weightage for either CE 496 or CE 497 assessment will be as follows:

|   |     |
|---|-----|
| (i) Supervisor's assessment (Oral and report)       | 40% |
| (ii) Examiners assessment (Oral and report)         | 40% |
| (iii) Midterm assessment by the examining committee | 20% |
