

King Saud University  
College of Applied Medical Sciences  
Community Health Sciences Department  
Health education Program

**Course name:** environmental health sciences CHS 371

### Assignment

Write a reaction (response) paper based on the documentary (before the floods)

Students will be graded on the Following criteria:

Area	Grade
<b>1. Introduction to your paper</b>	1
<b>2. Evaluate the documentary (body)</b>	3
<b>3. Conclusion</b>	2
<b>4. Word count ( 1000 to 1500 words)</b>	1
<b>5. Spelling</b>	1
<b>6. Grammar</b>	1
<b>7. Overall writing skills (wording, editing, punctuation marks... etc.)</b>	1
Total	<b>10</b>

**Note:** delaying on paper submission dead-line will cause decrease in your overall mark ( .25 each day- maximum 2 marks)

**Submission date:** TBA

#### Tips in writing a documentary reaction paper:

1. Determine the elements to discuss
2. Create an outline
3. Take notes while watching the documentary

**\*Please submit a soft copy only on e-mail [bkattan@ksu.edu.sa](mailto:bkattan@ksu.edu.sa)**
