

Curriculum Vitae

Aziz Abdullah Mohammed Aziz

Phone: +966501558912

Email: Aziiaziz@ksu.edu.sa

Dept. of Physics and Astronomy

College of Science - King Saud University

PO Box 2455, 11451 Riyadh, KSA

Date of Birth: 01-01-1978

Nationality: Yemeni

Marital status: Married

Languages: Arabic, English

Specialization: Nuclear Physics

Education and Qualifications:

2013- Present PhD Student in Nuclear Physics, King Saud University, KSA

2012 MSc in Nuclear Physics, King Saud University, Saudi Arabia

2002 B.Sc. in Physics, Ibb University, Yemen

Appointments:

2013- Present Researcher (A) at King Saud University, KSA

2010- 2013 Researcher (B) at King Saud University, KSA

2004-2008 Demonstrator, Ibb University, Yemen

2002-2004 Teacher at Ministry of Education, Yemen

Research Projects:

Project Title: Detection Setup for the Study of Fusion and Deep-Inelastic Nuclear Reactions using radioactive beams.

From 11.2013 to 11.2016

Collaboration: KSU (Saudi Arabia), GANIL (France), INFN (Italy) and STFC (UK).

Budget: 2 MSR (National Plan for Science and Technology Fund)

Computer Skills:

Operating Systems: Linux and Windows

Programming: C/C++

Software: ROOT, GEANT4, CAEN VME/NIM firmware and software.
