

Giuseppe Grosso MD, PhD

General Info	<ul style="list-style-type: none">• Nationality: Italian• Email: giuseppe.grosso@unict.it• Website: http://www.biometec.unict.it/docenti/giuseppe.grosso
Short bio	<p>Dr. Giuseppe Grosso's research focuses on evidence-based nutrition, a recently emerged field as the bottom line of the Health Technology Assessment applied to food and nutrition. Its main interests include the impact of dietary and lifestyle habits on common non-communicable diseases. In particular, he produced over 150 papers on the relation between diet, individual foods (i.e., coffee) and compounds (i.e., polyphenols), and major non-communicable diseases, with interest on mental health outcomes. Dr. Grosso is interested in evidence synthesis aimed to generate policy-oriented research in the area of public health nutrition. Dr. Grosso's research also aims to measure planetary health, including the potential impact of nutrition at global level.</p> <p>Dr. Giuseppe Grosso is a cum laude graduated medical doctor. Dr. Grosso holds a specialization in public health and a PhD in neuropharmacology. He is currently working as Assistant Professor of human nutrition at the Department of Biomedical and Biotechnological Sciences, School of Medicine, University of Catania, Catania, Italy, and President of the Food and Nutrition Section of the European Public Health Association (EUPHA).</p>
Summary	<p>Degree in Medicine, specialization in Hygiene, Public Health and Preventive Medicine (4-year course) and PhD in Neuropharmacology from University of Catania. Research collaboration with several research centers in Europe and US, including Jagiellonian University, University College of London, Harvard T.H. Chan School of Public Health, Cambridge University, University of Parma, and University of Navarra. Currently working as assistant professor at the University of Catania.</p>
Work Experience	<p>Professor (Assistant) <i>Nov 2018 – today</i> Department of Biomedical and Biotechnological Sciences, University of Catania, Catania, Italy</p> <p>Collaborator <i>Aug 2016 – today</i> The Need for Nutrition Education/Innovation Programme (NNEdPro) Global Centre for Nutrition and Health, St. John's Innovation Centre, Cambridge, UK</p> <p>Research Fellow <i>Jul 2015 – Nov 2018</i></p>

	<p>Integrated Cancer Registry of Catania-Messina-Siracusa-Enna, Azienda Ospedaliero-Universitaria Policlinico “Vittorio Emanuele”, Catania, Italy</p> <p>Visiting scientist <i>Feb 2013 – Sep 2014</i> Jagiellonian University Medical College, Institute of Public Health, Department of Epidemiology and Population Studies, Krakow, Poland</p>
Education	<p>PhD in Neuropharmacology <i>Jan 2012 – Feb 2015</i> University of Catania, Department of Clinical and Molecular Biomedicine, Section of Pharmacology and Biochemistry, Catania, Italy</p> <p>Specialization in Hygiene, Public Health and Preventive Medicine <i>Apr 2008 – Apr 2012</i> University of Catania, Department of Anatomy, Biology and Genetics, Legal Medicine, Neuroscience, Diagnostic Pathology, Hygiene and Public Health (DANA) "Gian Filippo Ingrassia", Catania, Italy</p> <p>Degree in Medicine and Surgery <i>Oct 2000 – Oct 2007</i> University of Catania, Faculty of Medicine and Surgery, Catania, Italy</p>
Grant Record	<p>Open issues on the effects of moderate alcohol drinking on health (RF-2018-12367074) – Italian Ministry of Health <i>Feb 2019 – today</i> Role: Unit (Lead)</p>
Scientific Awards	<p>Highly Cited Researcher 2020 by Clarivate - Web of Science</p> <p>Highly Cited Researcher 2019 by Clarivate - Web of Science</p>
Scientific Collaborations	<ul style="list-style-type: none"> • President of the Food and Nutrition Section of the European Public Health Association (EUPHA) • Collaborator of the Global Burden of Disease (GBD) study group • Collaborator of the Non-Communicable Diseases (NCDs) risk factors study group • Collaborator of the Global Nutrition and Policy Consortium
Editorial activity	<p>Mediterranean Journal of Nutrition and Metabolism – IOS Press <i>Aug 2021 – today</i> Associate Editor</p> <p>International Journal of Food Sciences and Nutrition - Taylor and Francis <i>Jan 2019 – today</i> Associate Editor</p>

	<p>BMJ Nutrition, Prevention and Health - BMJ Publishing Group Ltd <i>Jan 2018 – today</i> Management board</p> <p>Nutrients / NFS Journal / International Journal of Food Sciences and Nutrition / Frontiers in Nutrition / Journal of Nutrition and Metabolism / International Journal of Environmental Research and Public Health / Epidemiologia <i>Various dates</i> Editorial Board Member</p>
Summary of research outputs*	<p>No. of publications: 179 No. of citations: 23,057 H-index: 57 *(source: SCOPUS date 15/09/2021)</p>
Research projects evaluator	<p>French National Research Agency – Paris, France 2021</p> <p>National Science Center Poland – Krakow, Poland 2020</p> <p>Swiss National Science Foundation – Bern, Switzerland 2020</p> <p>World Cancer Research Fund – London, UK 2019</p>
