

Curriculum Vitae

Dr. Ashraf Mohamed Ahmed Farah, BSc MSc PhD

Associate Professor, Engineering Surveying & Space Geodesy

Civil Engineering Department
College of Engineering
King Saud University
PO Box 800, Riyadh 11421
Kingdom of Saudi Arabia

Date of Birth: 2/2/1973

E-mail :

<https://aswu.academia.edu/afarah>

Qualifications:

- 1- B.Sc. Honors, Civil Engineering, Assiut University, Egypt, 1995.
- 2- M.Sc. Civil Engineering, Assiut University, Egypt, 1999.
- 3- Ph.D. Space Geodesy, Institute of Engineering Surveying and Space Geodesy (IESSG), The university of Nottingham, United Kingdom (UK), 2004.

Appointments Held:

- (January 1996 – June 1999) Demonstrator, civil Engineering Dept., Aswan Faculty of Engineering, South Valley University, Egypt.
- (June 1999 – December 2004) Assistant Lecturer, civil Engineering Dept., Aswan Faculty of Engineering, South Valley University, Egypt.
- (December 2004 – November 2011) Assistant Professor, civil Engineering Dept., Aswan Faculty of Engineering, South Valley University, Egypt.
- (November 2011 – January 2020) Associate Professor, civil Engineering Dept., Aswan Faculty of Engineering, Aswan University, Egypt.

- (September 2009 – April 2012) Assistant Professor, civil Engineering Dept., Faculty of Engineering, King Saud University, Riyadh, Kingdom of Saudi Arabia.
- (April 2012 – June 2015) Associate Professor, civil Engineering Dept., Faculty of Engineering, King Saud University, Riyadh, Kingdom of Saudi Arabia.
- (July 2015 – July 2016) Head of Civil Engineering Dept., Faculty of Engineering, Aswan University, Aswan, Egypt.
- (January 2020 – Present time) Associate Professor, civil Engineering Dept., Faculty of Engineering, King Saud University, Kingdom of Saudi Arabia.

Experiences :

- 1- Experience (1995-present) in executing and supervising Surveying projects for different organisations.
- 2- Theoretical and practical experience in working with different surveying instruments (old-fashioned & modern (GPS))
- 3- Theoretical and practical experience in working with different surveying softwares.
- 4- Principle Investigator for “***The preparation of strategic plan for " Kaomel Bahry" region in Sohag governorate***” project under authority of the architectural planning organisation, ministry of housing, Egyptian government. The project involved full supervision on the surveying works for three villages (***Kaomel Bahry & Hagarsa & Awlad Ghareeb***) (May 2005 to May 2006)
- 5- Full supervision on the surveying works for five villages for project “***The preparation of strategic plan for " Arabet Abo ELdahab" region in Sohag governorate***” project under authority of the architectural planning organisation, ministry of housing, Egyptian government. The project involved full supervision on the surveying works for five villages (***Arabet Abo ELdahab & AlArabah Alsharqua & Albaghyta & Bani Zar & Naga Tamam***) (May 2005 to May 2006)
- 6- Principle Investigator for “***Revising the coordinates of Granite mining fields in Wadi El-Alaki area, Aswan governorate***” project under authority of mining Department in Aswan governorate. The project was done using GPS technology. (October 2005 – April 2006)
- 7- Full supervision of the surveying works for Toshka flood channel for the Public Prosecution in Aswan (March 2008).
- 8- Full supervision of the surveying works of the project (study of rock slips in the villages of Aswan Governorate) for the province of Aswan. The project was implemented using GPS technology (August 2008).
- 9- Full supervision of the surveying works of the site of the Industrial Zone in Al-aaki in Aswan Governorate for the Department of Industrial Areas in Aswan Governorate (August 2009).
- 10- Full supervision of the surveying works of the project to layoff the number of 1235 manholes for the new Aswan city in Aswan Governorate (May 2017).

- 11- Full supervision of the surveying works for 12200 feddan (topographical & plane) for the new Aswan city in Aswan Governorate (November 2017 – February 2018).
- 12- Consultant (Geodetic Engineering & positioning engineering) – Egyptian Engineers Syndicate - July 2019

Awards :

- 1- The Best Student Paper Prize for the paper "The Ionospheric Delay Effort for GPS Single-frequency Users-Analysis Study for Simulation Purposes", at the 15th International Conference of the Satellite Division of the American Institute of Navigation, Portland, Oregon, September 2002.
- 2- The MHESR partnership and ownership agreement post-doctoral grant in Institute of physical Geodesy, Darmstadt technical university, Darmstadt, Germany organized by the Egyptian higher education ministry (November 2006-January 2007).

Teaching Experiences:

Egypt Undergraduate level:

- 1- Engineering Surveying (1)
- 2- Engineering Surveying (2)
- 3- Geodesy& satellite positioning
- 4- Graduation project

Egypt Postgraduate level:

- 1- Engineering Mathematics
- 2- Advanced Geodesy
- 3- Satellite positioning
- 4- Computer applications in civil Engineering

King Saud University undergraduate level:

- 1- (SE211) Basics of Engineering surveying
- 2- (SE212) Spatial Measurements
- 3- (SE310) Engineering Surveying
- 4- (SE312) Introduction to Geomatic Engineering
- 5- (SE331) Observations Adjustment
- 6- (SE412) Astronomy & satellite positioning
- 7- (SE413) Satellite Positioning
- 8- (SE417) Hydrographic Surveying
- 9- (SE473) professional & legal Surveying
- 10- Graduation project (1)& (2)

Research Activities:

- 1- Supervising master thesis entitled “Accuracy Assessment Study of Using GPS for Surveying Applications in South Egypt” presented by Eng. Ashraf Talaat, Aswan faculty of Engineering, South Valley University, Egypt.(October 2005 to July 2009).

- 2- Supervising master thesis entitled “Evaluation of GPS Accuracy for Mapping and Engineering Applications” presented by Eng. Mohamed Abdelazeem, Aswan faculty of Engineering, South Valley University, Egypt.(October 2007 to February 2011)
- 3- Supervising master thesis entitled “Practical Aspects of Using High Resolution Satellite Images for Map Updating ” presented by Eng. Hekmat Mosah, Aswan faculty of Engineering, South Valley University, Egypt.(October 2007 to 2013)
- 4- Reviewer for the journal of Digital Earth.
- 5- Reviewer for the journal of Geomatics.
- 6- Reviewer for the journal of geodetic sciences.
- 7- Reviewer for the Arabian journal for Geosciences.

Professional development activities:

- 1- Participation in Workshop “Modern trends in teaching”. Organised by centre of skills development, South Valley University. May 2005.
- 2- Participation in Workshop “Skills of effective presentation”. Organised by centre of skills development, South Valley University. May 2005.
- 3- Participation in Workshop “Management of scientific research”. Organised by centre of skills development, South Valley University. July 2005.
- 4- Participation in Workshop “Using Technology in Teaching”. Organised by centre of skills development, South Valley University. March 2007.
- 5- Participation in Workshop “Profession ethics and manners”. Organised by centre of skills development, South Valley University. March 2007.
- 6- Participation in Workshop “Development of managerial skills”. Organised by centre of skills development, South Valley University. April 2007.
- 7- Participation in Workshop “ Skills of Effective Teaching”. Organised deanship of skills development, King Saud University. 1st term 2009-1010.
- 8- Participation in Workshop “ Course Design”. Organised deanship of skills development King Saud University 1st term 2009-1010
- 9- Participation in Workshop “Students Assessment Techniques”. Organised deanship of skills development, King Saud University. 1st term 2009-1010
- 10- Participation in Workshop “ Micro Teaching”. Organised deanship of skills development, King Saud University. 1st term 2009-1010.
- 11- Participation in Workshop “peer consultation training for improving teaching”. Organised deanship of skills development, King Saud University. 2nd term 2009-1010
- 12- Participation in Workshop “Development of Teaching Portfolio”. Organised deanship of skills development, King Saud University. 2nd 2009-1010
- 13- Participation in Workshop “improving your teaching through assessment”. Organised deanship of skills development, King Saud University. 2nd 2009-1010
- 14- A granted peer consultant from the deanship of skills development, King Saud University since 2nd term 2009-1010.
- 15- Reviewer for the journal of geodetic sciences since November 2012.
- 16- Granted the professional license for higher education from the deanship of skills development, King Saud University, October 2012.
- 17- Participation in the 2nd Annual Forum for University Teaching (Learning outcomes assessment) organised by King Saud University, Riyadh, KSA. (9-12 February, 2013).
- 18- Participation in the workshop titled (E-portfolio as a tool for students learning outcomes assessment) run by Prof. Mark Morton, Centre for Teaching Excellence, University of Waterloo, Canada. Organised deanship of skills development, King Saud University. (11-2-2013).

- 19- Participation in the workshop titled (Personal response systems ((clickers)) as a tool for leaning assessment) run by Prof. Mark Morton, University of Waterloo, Canada. Organised deanship of skills development, King Saud University. (12-2-2013).
- 20- Participation in the 3rd Annual Forum for University Teaching (Toward Distinguish University Teaching) organised by King Saud University, Riyadh, KSA. (8-12 September, 2013).
- 21- Participation in workshop “ High quality professional teaching: working towards excellence” given by professor Gavin Brown, Auckland university, New Zealand. Organised by King Saud University, Riyadh, KSA. (25 February, 2014).
- 22- Participation in the workshop titled (Search skills in electronic databases) Organised by deanship of skills development, King Saud University. (7-8-2014).
- 23- Participation in the workshop titled (Design of electronic course using Course Lab software) Organised by deanship of skills development, King Saud University. (8-8-2014).
- 24- Participation in the workshop titled (Using Google Apps in education) Organised by deanship of skills development, King Saud University. (9-8-2014).
- 25- Participation in the workshop titled (Meeting your class for the first time) Organised by deanship of skills development, King Saud University. (10-8-2014).
- 26- Participation in the workshop titled (Solving problems teaching strategy) Organised by deanship of skills development, King Saud University. (11-8-2014).
- 27- Participation in the webinar titled (Improving students’ employability skills through college teaching) Organised by deanship of skills development, King Saud University. (8-8-2014)
- 28- Participation in the webinar titled (Students motivation for better learning) Organised by deanship of skills development, King Saud University. (10-8-2014).
- 29- Participation in the workshop titled (Speed Reading) Organised by deanship of skills development, King Saud University. (18-8-2014).
- 30- Participation in the workshop titled (Writing proposals for research grants and projects) Organised by deanship of skills development, King Saud University. (15-10-2014).
- 31- Participation in the webinar titled (Developing Grading Rubrics) Organised by deanship of skills development, King Saud University. (Dr. Trevor M. Holmes, University of Waterloo, Canada (17-11-2014).
- 32- Participation in the webinar titled (Effective Course Design) Organised by deanship of skills development, King Saud University. (Prof. Bill Buskist, Auburn university, USA (25-11-2014).
- 33- Participation in the webinar titled (The Flipped Classrooms: Why and How?) Organised by deanship of skills development, King Saud University. (Dr. Mark Mortton, University of Waterloo, Canada .(22-12-2014).
- 34- Reviewer for the journal of Digital Earth since October 2014.
- 35- Reviewer for the journal of Geomatics (Indian Society of Geomatics) since December 2014.
- 36- Participation in the webinar titled (Mobile Learning to transform the delivery of Education: Are we ready?) Organised by deanship of skills development, King Saud University. (Prof. Mohamed Ally, Athabasca University, Canada .(29-12-2014).
- 37- Participation in the webinar titled (Submitting manuscripts and getting them accepted in ISI journals) Organised by deanship of skills development, King Saud University. (Prof. John F. Leslie, Univ. Distinguished Prof. Kansas State University, USA) (29-12-2014).
- 38- Participation in the workshop titled (The scholarship of teaching, learning and curriculum practice in higher education) by Prof. Harry Hubball , the university of British Colombia, Canada. Organised by deanship of skills development, King Saud University. (2-2-2015).
- 39- Participation in the workshop titled (Educational Technology Innovation for higher education in the 21st century) by Prof. Olaf Zawacki Richter , the university of Oldenburg, Germany. Organised by deanship of skills development, King Saud University. (4-2-2015).
- 40- Participation in the 2-days workshop titled (Introduction to Mobile Learning; instructional design and delivery methods) by Prof. Mohamed Ally , Athabasca

university, Canada. Organised by deanship of skills development, King Saud University.
(15&19-2-2015).

41- Reviewer for the Arabian journal for Geosciences.
