Professional Summary

King Saud University Professor with great ambition that led to assuming several leadership positions ranging from Vice-Dean for Graduate studies and Research to a Vice-Rector for Planning, Development and Quality. Interested in continuous professional development and gaining new experiences. I enjoy good team building skills, task distribution and team members motivation. I place great emphasis on the quality of the outcome and undertake a realistic approach when tackling an issue while carefully considering successful national and global related experiences.

Languages

Arabic: Native
English: Fluent (speaking, writing, reading)

Professional Experience

Vice Rector for Planning, Development, and Quality Saudi Electronic University, 2016 to 2020

- Building the University Strategic plan 2020-2025
- Overseeing the development of the University's organizational guide including organizational structure, job description, policies, procedures, and processes flow chart as well as reviewing them
- Leading the team that built the University's Quality System (Academic and Administrative)
- Building the Academic Key performance indicators (KPIs) with focus on E-learning quality
- Implementation of a professional survey system and establishing feedback practices involving students, faculty members, employees, alumni, and employers
- Leading the teams that prepared the Self Study Report for the institutional accreditation by the National center for Assessment and Academic accreditation (NCAAA)
- Supervising the development of the assessment and moderation plans
- Supervising the integration of the assessment and moderation plans into the Evaluation Management System (Computerized Exam System)
- Supervising the preparation of Field Experience manual
- Overseeing the preparation of the University's Annual Reports
- Establishing the Alumni Unit
- Supervising the professional development activities for the University's employees including needs assessment, building a training plan with specific targets, implementation and measuring the satisfaction
- Supervising the development of and approval of regulatory documents such as:
 - Students advisory councils
 - University and College Advisory committees
 - Students' rights and responsibilities

Acting Vice Rector for Graduate Studies and Scientific Research, Saudi Electronic University, May 2017- Sept. 2017

Professional Experience (cont.)

Leader of the National Transformation Program Initiatives Team, 2017 to 2019

Competing successfully to assign three initiatives to the Saudi Electronic University:

- Electronic Learning Content Development Center Initiative
- Establishing an Electronic Training Center at the Saudi Electronic University Initiative
- Developing the Universities' general preparation courses electronically to be delivered through blended learning Initiative

Dean, College of Health Sciences, Saudi Electronic University, 2017 to 2019

- Establishing the College and receiving the first batch of students in the Health Informatics bachelor's degree Program
- Building human capital for the College (faculty and staff)
- Starting the bachelor's degree of Public Health Program including developing its Study Plan
- Starting the Master of Health Care Administration Program including developing its Study Plan
- Accreditation of the Health Informatics Program by the Saudi Commission for Health Specialties

Vice-Dean for graduate studies and scientific research, King Saud University, College of Dentistry, 2011-2013

- Supervising the development of the Doctor of Science in Dentistry program and its approval by the Deanship of Graduate Studies Council (nine advanced training specialties)
- Developing a guide for writing thesis including templates
- Developing the duties and responsibilities document for program directors
- Developing a procedural guide for thesis defense
- Developing a guide for selecting a research supervisor

Key Skills

- Leadership and team building
- Strategic Planning
- Systematic strategic thinking
- Effective balancing of work requirements and capabilities to reduce wasted efforts

Key Skills (cont.)

- Resilience in keeping pace with institutional changes to achieve the vision of the leader and the organization
- Development and successful implementation of business development plans
- Development of organizational manuals including organizational structures
- Development of human resources capabilities
- Quality assurance practices
- Academic Accreditation
- E-learning/Blended Learning practices
- Teaching, learning and assessment practices
- Team motivation and inspiration

Education

Doctor of Philosophy (Ph.D.) in Oral Health Sciences

Rackham School of Graduate Studies

University of Michigan

Ann Arbor, MI, USA, 2002

Master of Science (M.S.) in Endodontics

Rackham School of Graduate Studies

University of Michigan

Ann Arbor, MI, USA, 1998

Certificate of advanced specialty training in Endodontics

University of Michigan

School of Dentistry

Ann Arbor, MI, USA, 1997

Bachelor of Dental Surgery (B.D.S.)

King Saud University

Riyadh, Saudi Arabia

Bachelor of Dental Surgery (B.D.S.), 1991

Professional Qualifications

- Key Performance Indicator Associate (KPI-A), Strategy management group and the George Washington University, College of professional studies, 2017
- Postgraduate Certificate in Academic Practice (PGCAP), King's College London, 2011
- Certification as peer consultant by the deanship of skills development at King Saud University, 2010

Professional Development

- Strategic Manager: From Planning to Execution" workshop, organized by the Vision Realization Office at the Ministry of Education, December 23 - 25, 2018, Conducted by Merck Training and Consulting.
- Change Management workshop, organized by the Vision Realization Office at the Ministry of Education, December 2 - 6, 2018, Conducted by Merck Training and Consulting.
- Training Program in Strategic Thinking and Influencing, organized by the Institute of Public Administration 16 October 2017 to 6 December 2017. Conducted by the Center for Creative leadership.
- Project Management Course - Planning and Microsoft Project 2013. Vision realization office Ministry of Education 8 - 11 October, 2017.
- Training Program for Institutional Performance Indicators ADAA (National Center for measuring the performance of government agencies) 7-9 May 2017.
- Become a Digital Citizen – Technology in Health Care Education, October 20-24, 2014. Harvard Macy Institute, Harvard Medical School.
- Strategic Thinking for Operational Management, August 13-15, 2014, Learning Tree International, Toronto, Canada.
- Strategic Planning Practical Workshop, 17-19 March 2014, Institute of Public Administration, Riyadh, Saudi Arabia.
- Designing Effective Learning and Assessment Strategies for Healthcare Professionals in the 21st Century (18-22 June 2012). Medical Education Unit, Yong Loo Lin School of Medicine, National University of Singapore, Singapore.
- Teaching and Assessment course, July 4-8, 2011. Center for Medical Education, Dundee, UK.

Professional Development (cont.)

- Program for Educators in the Health Professions (Part II), May 5-20, 2011. Harvard Macy Institute, Harvard Medical School.
- Preparing the Teaching Portfolio, 26th March, 2011. Skills development deanship program.
- Program for Educators in the Health Professions (Part I), January 9-19, 2011. Harvard Macy Institute, Harvard Medical School.
- Course Construction workshop, 25-26th September, 2010. Skills development deanship program.
- Attended the course work for the Post Graduate Certificate in Academic Practice (PGCAP) part one May 22-26, 2010 (Riyadh) part two September 13-17, 2010 (London) offered by King's College, London.
- Peer Consultant in Teaching workshop, 25-29 April, 2010. King Fahad University of Petroleum and Minerals. Skills development deanship program.
- Peer Consultant Training to improve Teaching, 20-21 March, 2010.
- The use of Concept Mapping in College Teaching workshop, 16th January, 2010. Skills development deanship program.
- Information and communication technologies (ICT) for learning and teaching workshop, 3rd-7th August, 2009. School of Education, University of Leeds, UK.
- Constructing Achievement Tests workshop, 20-21 January, 2009. Skills development deanship program.
- Teaching Quality in Higher Education workshop by Dr. Khalid Soliman, 17th-18th January, 2009. Skills development deanship program.
- Active learning workshop by Bill Buskist, 10th-11th January, 2009. Skills development deanship program.
- Effective Teaching Skills (Advanced) workshop by Dr. Othman Alburikan, 3rd-5th January, 2009. Skills development deanship program.
- Team-Based Learning workshop by Dr Larry K. Michaelsen, 27-28 December, 2008. Skills development deanship program.
- The ITI Education Week “clinical concepts in implant dentistry”, 4th-8th August, 2008, Berne, Switzerland.
- Performance management workshop by Dr. Mohammad Almadi, 27-29 May, 2008. Skills development deanship program.

Committees and Councils

- Head of the Saudi Electronic University team to craft the SEU Strategic Plan 2020 - 2025
- Head of the Saudi Electronic University team working on institutional academic accreditation by NCAAA, 2019 to 2020
- Vice president of The Supreme Leading Committee for Quality and Academic Accreditation. the Saudi Electronic University, 2018 to 2020
- Head of the standing committee for students' rights, the Saudi Electronic University, 2018 to 2020.
- Head of the standing committee for quality and academic accreditation 2016 to 2020
- Member of the Scientific Council, Saudi Electronic University, 2013 to 2019
- Chairman of the faculty appointment committee of the Scientific Council at the Saudi Electronic University, from 2016 to 2019
- Session Chairman, the Saudi International Dental Conference. 19th -11th January, 2018, Riyadh, Saudi Arabia
- Session Chairman, the 28th Saudi Dental Society International Conference. 10th -12th January, 2017, Riyadh, Saudi Arabia
- Member of the Saudi Electronic University delegation for the fourth career day in Washington, USA, May 24-27, 2014
- Head of the Saudi Electronic University delegation for the fourth career day in London, United Kingdom, 29-30 March 2014
- Head of the Saudi Electronic University delegation for the fourth career day in Ottawa, Canada, January 24-26, 2014
- Session Chairman, the 24th Saudi Dental Society International Conference. 28th -30th January, 2013, Riyadh, Saudi Arabia
- Organizing committee member of the King Saud University 14th international dental conference and the 23rd meeting for the Saudi Dental Society 6th-8th February, 2012. Riyadh, Saudi Arabia
- Leader of the team for the preparation of standard No. 3 in the self-study report of the National Commission for Academic Accreditation and Assessment, College of Dentistry, King Saud University, 2010
- Member of the Supervisory Committee for Academic Accreditation and Assessment, College of Dentistry, King Saud University, 2010
- Member of the Committee to develop the Code of Ethics, College of Dentistry, King Saud University, 2010
- Secretary of the Committee for the development of Doctoral Level program in Dental Sciences, King Saud University, College of Dentistry, 2010

Committees and Councils (cont.)

- Member of the Strategic Plan preparation team for the College of Dentistry, King Saud University, 2010
- Member of the Unit for Assessment and Academic Accreditation, College of Dentistry, King Saud University, 2010
- Member of the Committee for Coordination and the administrative follow-up, College of Dentistry, King Saud University, 2010
- Member of the University Faculty Clinic Development Committee, College of Dentistry, King Saud University, 2010
- Member of the Ministry of Higher Education national plan committee to develop a strategy for attracting and retaining high caliber talents in academic and research 2009- 2010
- Member of the Supervising Committee to evaluate the performance of a faculty member in dentistry 2007-2008
- Member of the Unit for Assessment and Academic Accreditation, College of Dentistry, King Saud University, 2006-2007
- Member of the subcommittee for "reviewing successful trends in health education in developed countries and choosing educational directions compatible with the job market and future development needs and directions in the kingdom" as part of the project team preparing a proposal for the future plan for the health professions education in the coming 25 years (2005-2055) in Saudi Arabia, for AFAAQ project (Future plan for higher education) King Abdullah Research & Consulting Institute, King Saud University, March-June, 2006
- Member of the interview committees of students' acceptance in health colleges of King Saud University, for academic years 2003/2004, 2004/2005, 2005/2006, 2007/2008, and 2008/2009
- Member of the Research Ethics Committee, College of Dentistry Research center, academic years 2004/2005 and 2005/2006
- Member of the ad-hoc committee for selection of demonstrators, Restorative dental sciences department, King Saud University, College of Dentistry, for the academic year 2005/2006
- Member of the interview committees of Dental laboratory technology program students' acceptance for academic years 2004/2005
- Member of the professional assessment committee of applicants seeking registration as endodontists by the Saudi Council for Health Services, academic year 2006/2007

Employment History

Professor

Department of Restorative Dental Sciences, Division of Endodontics,
King Saud University, College of Dentistry, 2011-present

Associate Professor

Department of Restorative Dental Sciences, Division of Endodontics,
King Saud University, College of Dentistry, 2007-2011

Assistant Professor

Department of Restorative Dental Sciences, Division of Endodontics,
King Saud University, College of Dentistry, 2003-2007

Demonstrator

Department of Restorative Dental Sciences, Division of Endodontics,
King Saud University, School of Dentistry, 1994-2003

Resident

Security Forces Hospital, Riyadh, Saudi Arabia, 1993-1994

- The 18th Saudi International Dental Congress, Riyadh, Saudi Arabia, 29-31 January, 2007
- The 17th Saudi International Dental Congress, January 28-31, 2006 Riyadh Saudi Arabia. Member of the judge panel for postgraduate research award

Scientific Meetings (cont.)

- The Saudi dental society annual scientific and IADR Saudi Arabia section meeting, January 10-13, 2005 Riyadh Saudi Arabia. Member of the scientific committee
- The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, January 17-19, 2004 Riyadh, Saudi Arabia. Guide for the guest speaker
- Annual meeting for the American Association of Endodontists, Seattle, Washington, United States of America, 1996. Presented table clinic "Contemporary suturing techniques"
- Annual meeting for the American Association of Endodontists, Dallas, Texas, United States of America, 1995

Guest Speaker

- Emirates medical association, dental society symposium "Trouble Shooting in Endodontics Your Way to Success" February 2005, Dubai, UAE

Honors and Awards

- Dziewiatkowski Award for excellence in student research, School of Dentistry, University of Michigan, 2001
- Second place at the Research/Table clinic day, School of Dentistry, University of Michigan, 2001
- First place at the Research/Table clinic day, School of Dentistry, University of Michigan, 1999
- Employee of the Month Award, Security Forces Hospital, Riyadh, Saudi Arabia, 1992
- Graduation Honors, for graduating with a GPA of 4.69/5.00. King Saud University, Saudi Arabia

Editorial Work

- Editorial Board member (Endodontic section editor) of the Saudi Dental Journal 2010-2015
- Editorial Board member of the King Saud University Journal of Dental Sciences 2008-2010
- Referee for the Saudi Dental Journal 2004-2010
- Editorial Board member of AFAQ Dental Journal, 2004-2009

Professional Affiliation

- Former founding member of the Board of Directors, Saudi Society for Professional Development in Education
- Member of the American Association of Endodontists, USA
- Member of the Saudi Dental Society, Saudi Arabia
- Member of the Higher Education Academy, United Kingdom
