

How to submit your homework

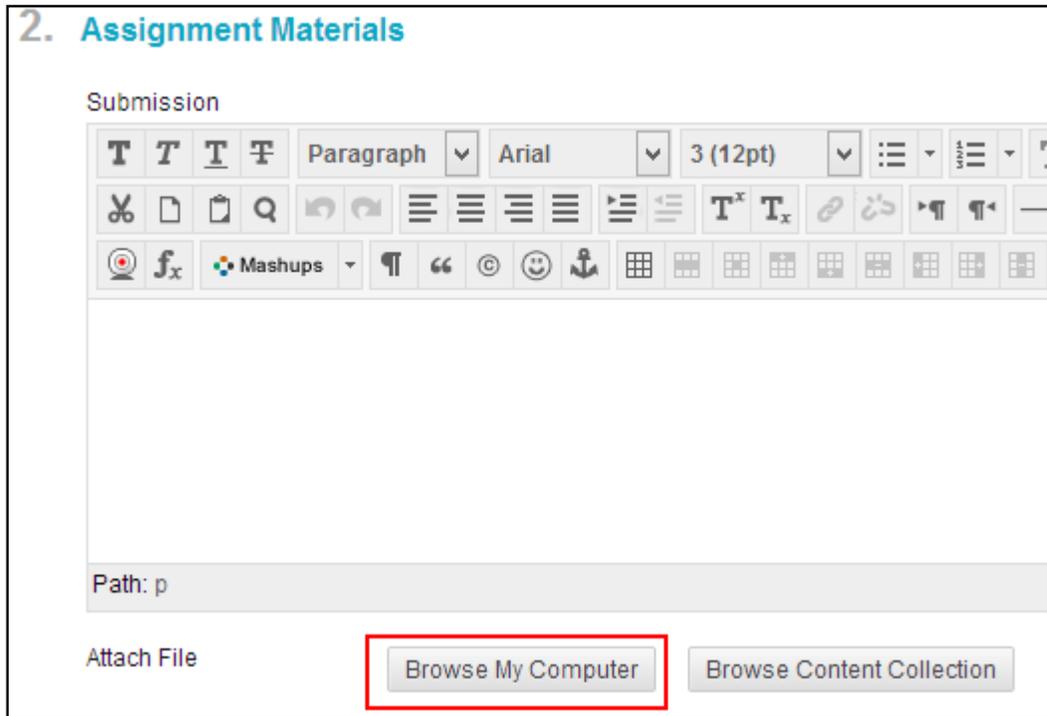

- 1- Log into your account at <https://lms.ksu.edu.sa>.
- 2- Click on your CSC 111 Lab sections.
- 3- Make sure that you are in the Lab Homework section.

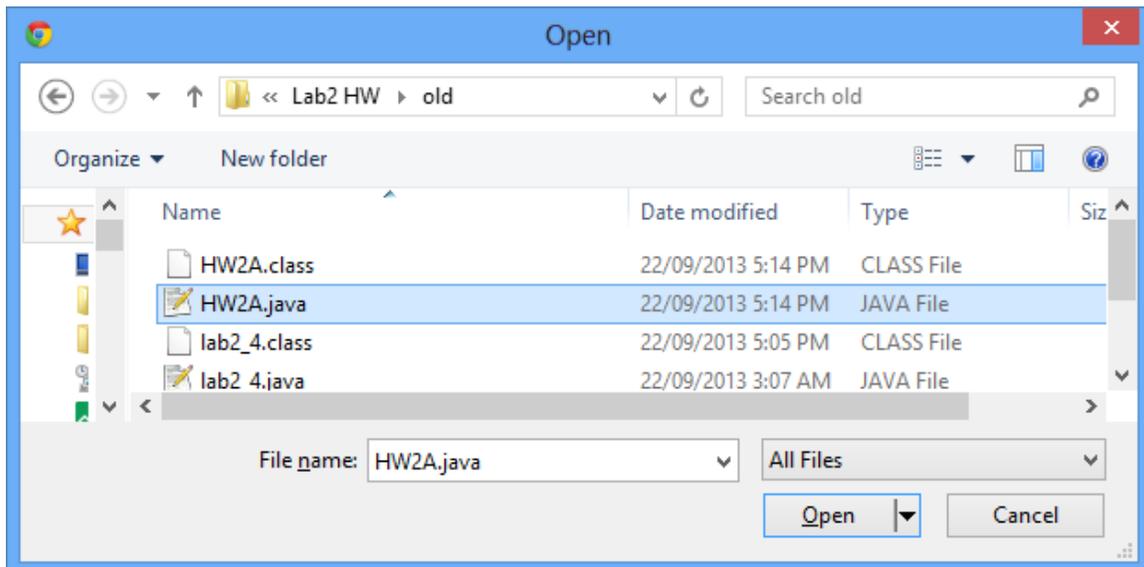

- 4- Click on the Homework title.

- 5- Scroll to “2. Assignment Materials” and click on “Browse My Computer” button.

- 6- Browse your computer and select your homework file.

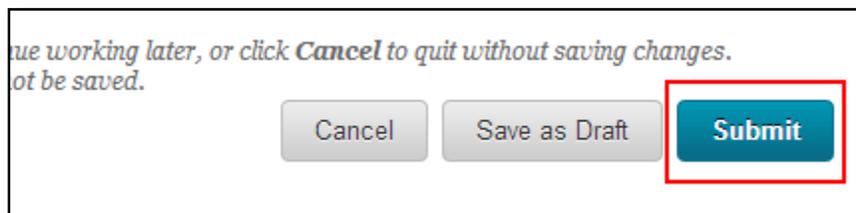

7- After selecting your homework file. The name of the file should appear on the submission page.

The screenshot shows a submission interface. At the top, there is a field labeled "Path: p". Below this, there is an "Attach File" section with two buttons: "Browse My Computer" and "Browse Content Collection". Underneath, there is an "Attached files" section with a table. The table has two columns: "File Name" and "Link Title". A single row is visible, with "HW2A.java" in the "File Name" column and "HW2A.java" in the "Link Title" column. This row is highlighted with a red border. Below the table, there is a "Comments" section with a small dropdown menu and a checkmark icon.

8- Then Click the "Submit" button.

The screenshot shows a confirmation dialog box. The text inside reads: "Continue working later, or click **Cancel** to quit without saving changes. Your work will not be saved." Below the text, there are three buttons: "Cancel", "Save as Draft", and "Submit". The "Submit" button is highlighted with a red border.

9- A success message appears, confirming the assignment submission.
