

## Patents:

- ✓ Methods and materials for the removal of the rose Bengal dye from aqueous solution, (US 9334176B1).
- ✓ Synthesis of Zinc Oxide Nanoparticles using Cymbopogon Proximus Extract (US 10358356B1).
- ✓ Method of preparing biologically active derivatives from flowers (US10111918).
- ✓ Synthesis of Titanium Dioxide Nanoparticles using Cymbopogon Proximis (US 10301187B1).
- ✓ Synthesis of metal oxide Nano particles using Kalanchoe Blossfeldiana Extract (US 10703641B1).
- ✓ Bio Buckypaper Synthesized with Fish Scales (US 10689257B1).
- ✓ Method of Making An asymmetric Polyvinylidene Difluoride Membrane (US 10576429B1).
