

Personal Identification

Prof. Ahmad Almazari is currently a professor of finance and banking in King Saud University-RCC in the department of administrative sciences in Riyadh, Kingdom of Saudi Arabia. I was born in Amman, Jordan in 1967. I obtained my Ph.D. in Business Finance and Economics from Jodhpur University, India in 1995. I published articles in a number of international journals in the field of financial analysis, managerial finance and banking. I am editor in some international journals, and research reviewer and arbitrator for post graduate students, as well as arbitrator for post graduate and under graduate programs and plans. My current research interest includes banks efficiency, liquidity and profitability, working capital management, and financial analysis.
