

## Removal of Protective Equipment

1. **Remove gloves.** Grasp glove and pull inside out, tuck finger of ungloved hand *inside* cuff of gloved hand, and remove inside-out
2. **Remove goggles** – agency policy
3. **Remove gown** and untie waist and neck strings of gown; remove hands from sleeves without touching outside of gown and fold inside-out
4. **Remove mask**, untie top string and then bottom strings; do not touch outside of mask and dispose immediately in garbage

\*hint: remove in alphabetical order
