## Course Description:

This is an intensive English course designed for adult Arab students studying English at the post-elementary level. The course aims at bringing the students from a beginner level to an intermediate level where they are thoroughly acquainted with the basics of the language. It aims at providing them with extensive, systematic, and well-integrated practice in skills necessary for successful comprehension of texts and for carrying out meaningful communications. Besides other skills, the course targets to give more advanced structures, vocabulary and reading practice so that the learners are successfully equipped with the necessary language resource for their academic life.

## Objectives:

Students will be able to:

1. Build upon their (the students) basic language foundation.
2. Enhance their different skills and to bring them to a higher level of competence.
3. Improve further their reading comprehension skill.
4. Enrich their vocabulary further.
5. Try to make them self-sufficient with regard to dealing with their language problems.

## The Textbook:
