

A decorative border surrounds the central text, featuring various colorful letters and symbols in a hand-drawn, sketchy style. The letters are in various colors like blue, green, orange, purple, and pink, and some are stylized with patterns or 3D effects. The background of the border is a light yellow grid.

Text Effects In Photoshop

By: Arwa Alhuraais

The image features a decorative border on the left and right sides, composed of various colorful, stylized letters and symbols. The letters are drawn in a hand-drawn, sketchy style with thick outlines and some internal shading. The colors include red, blue, green, yellow, and purple. The symbols include a pencil, a ruler, a compass, and a hammer. The background is a light, textured surface.

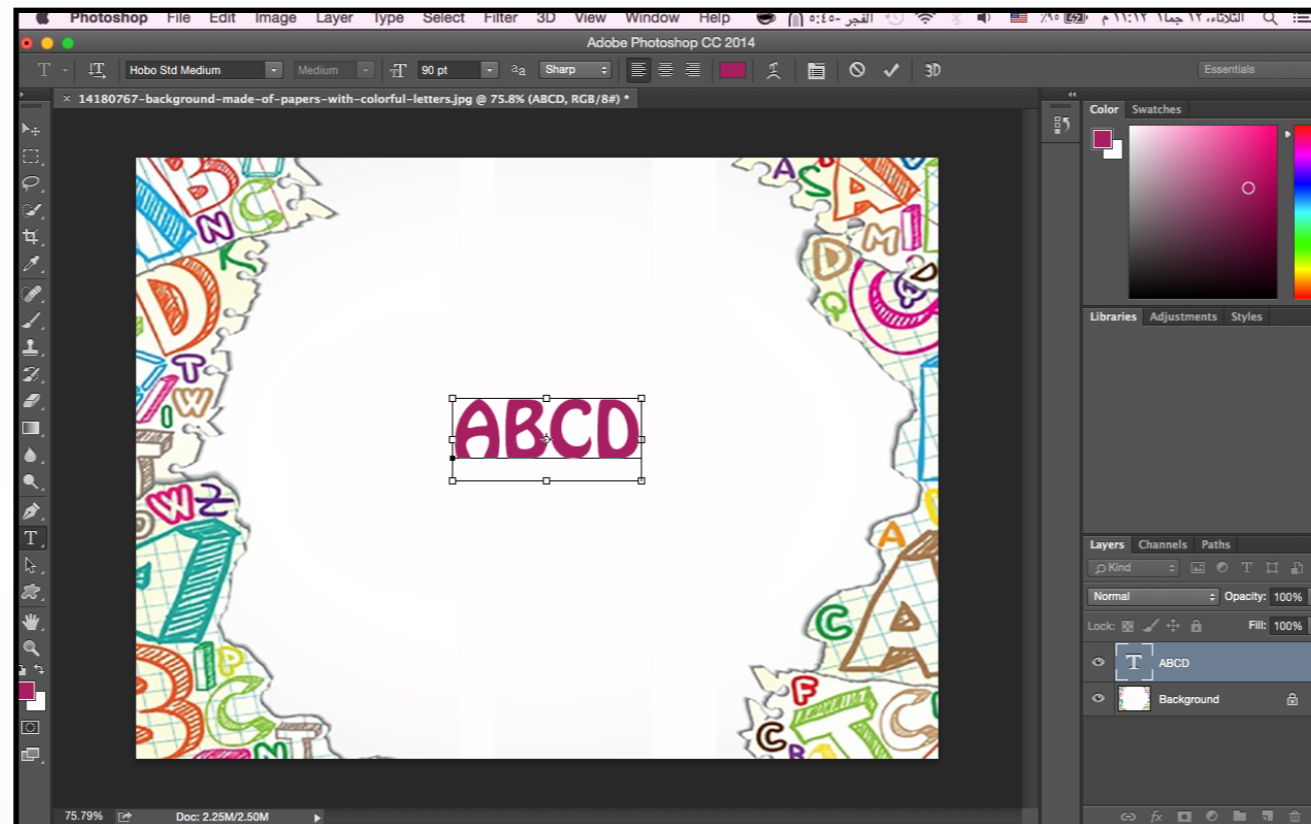

With Photoshop there is a wide
space to on text ..

you doesn't limit with the
exists fonts.

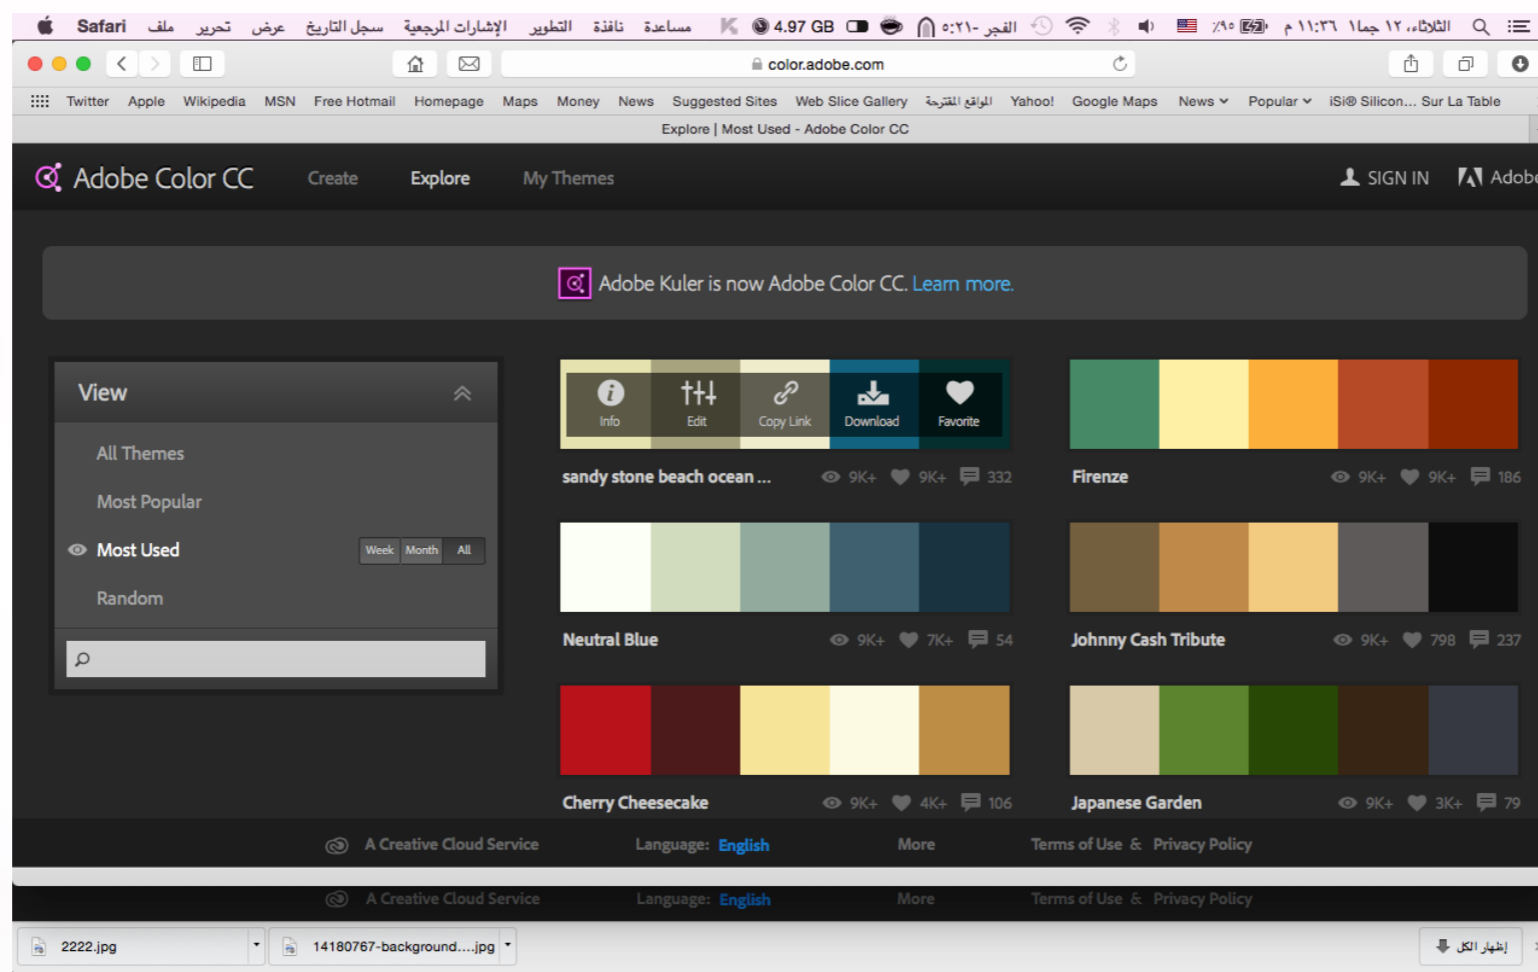

learn then enjoy :)

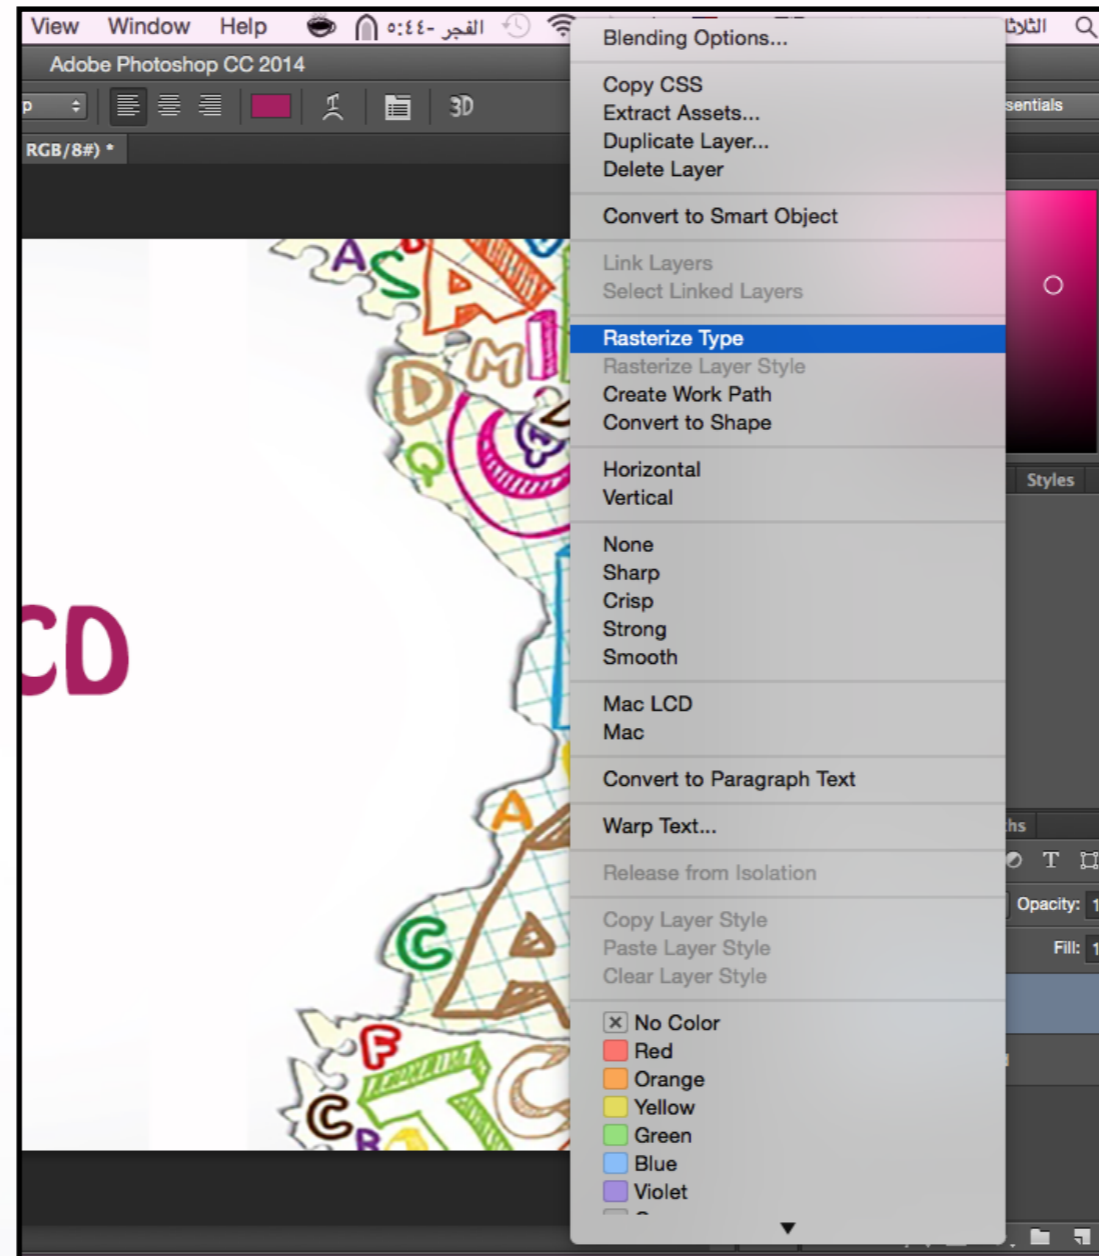

- Open new Photoshop file with the background what you like, then use horizontal type tool to type your text.

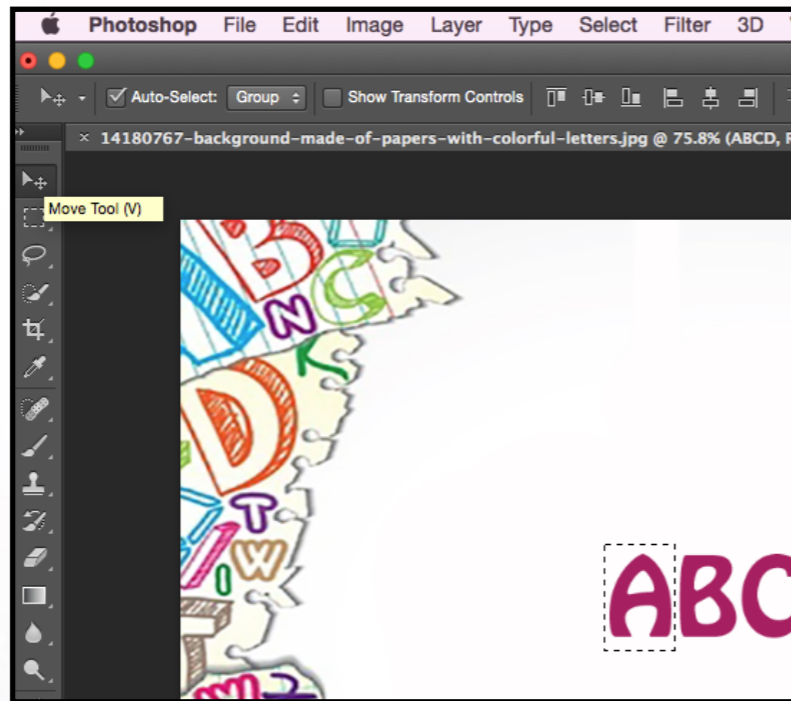

- If you want a set of colors there are lot of them in <https://color.adobe.com>

- The important step:
right_click on the layer
then select Rasterize type.

- To do effects on one letter use Rectangle Marquee Tool.

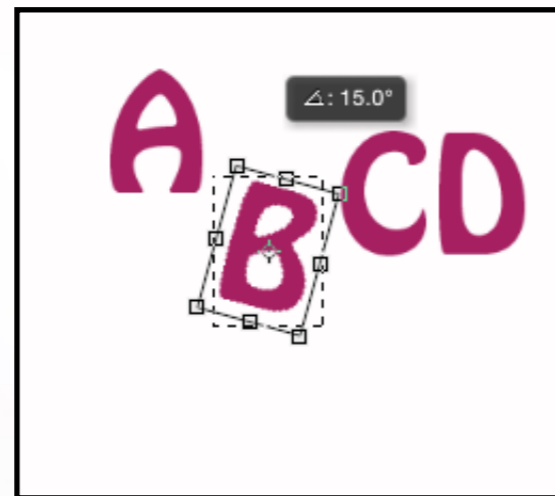

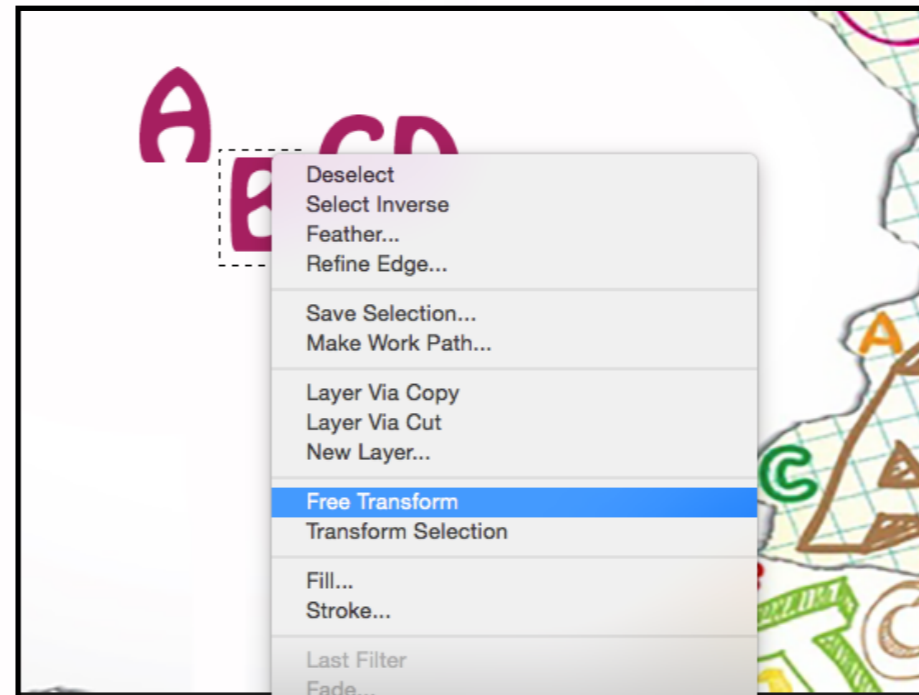

- If you want to move the letter use the move tool.

- After you selected the letter

Right-click on it and choose

Free Transform.

- Now you can change the size and you can rotate the letter.

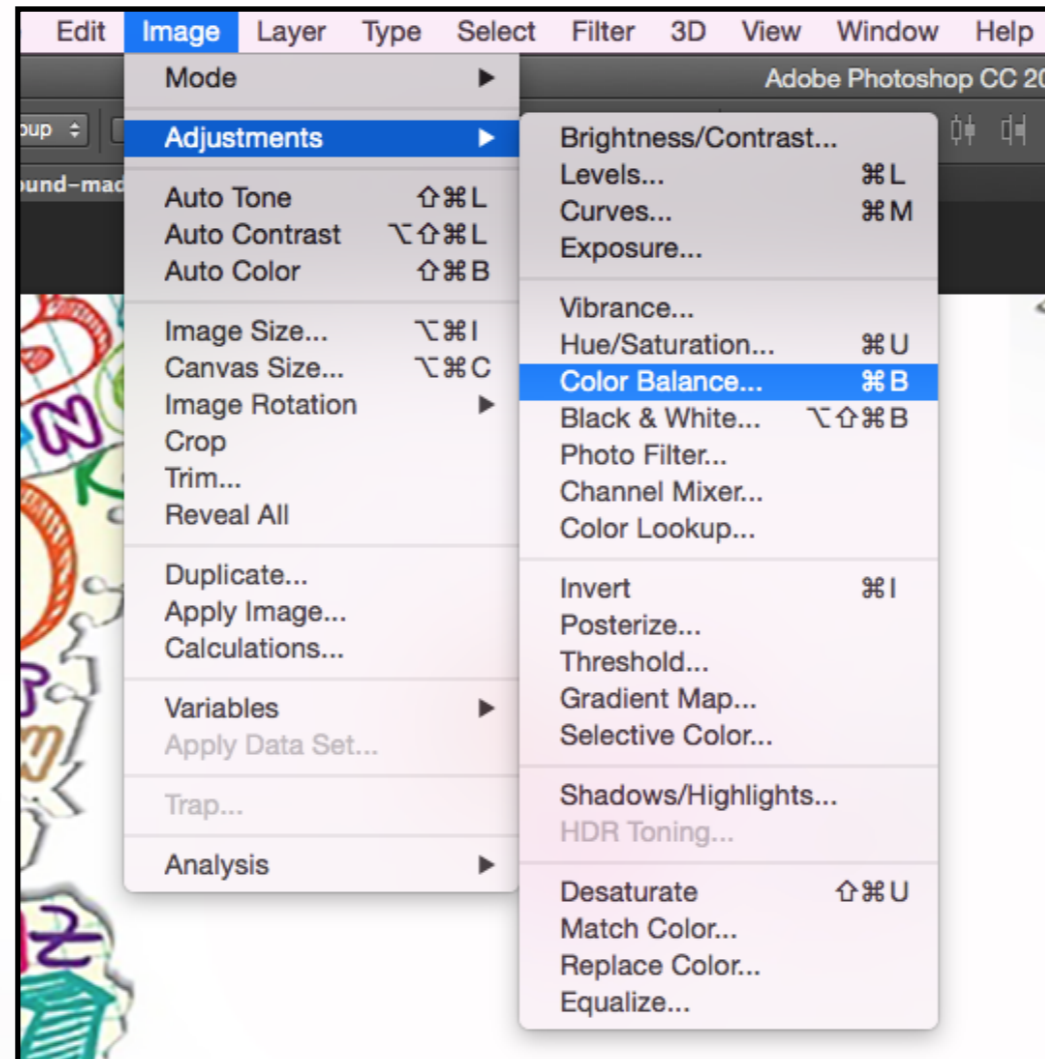

- Also you can use Gradient Tool

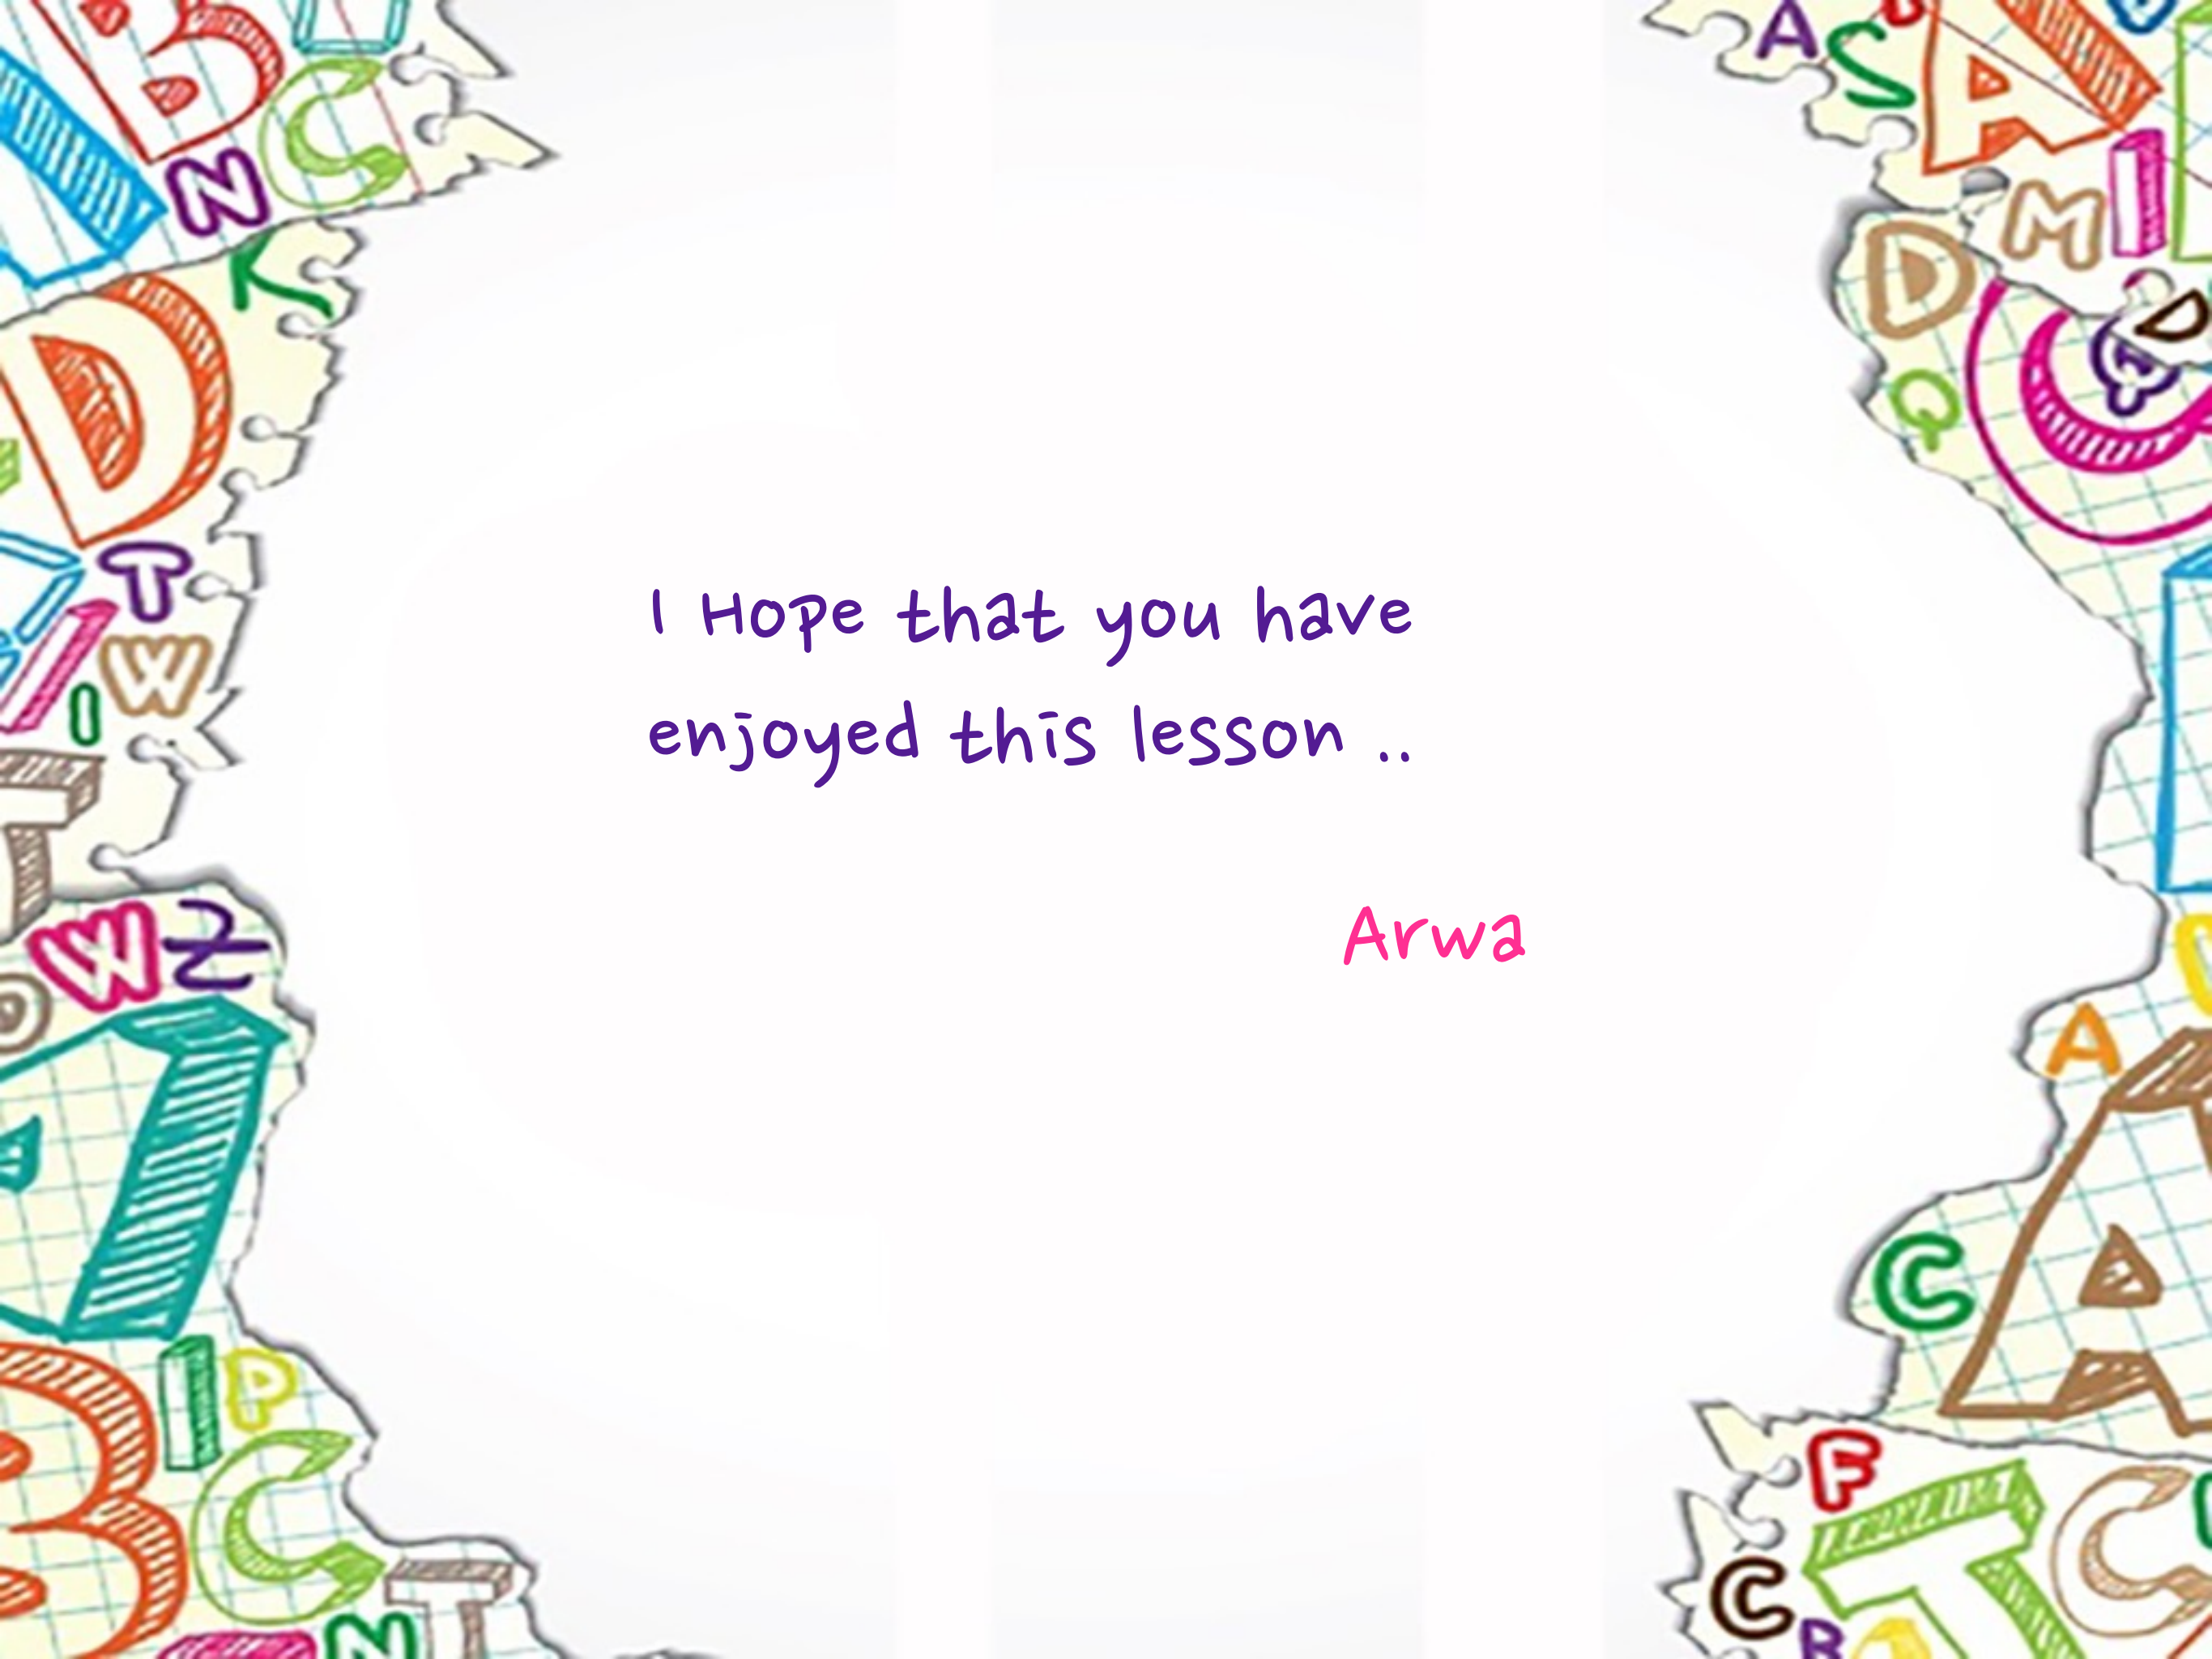

The result with letter D :

- You can use any tools and effects what are used with the pictures.

A decorative border surrounds the central text, featuring various colorful letters and shapes. The letters are drawn in a playful, hand-drawn style with thick outlines and some internal shading. The colors include red, blue, green, yellow, purple, and brown. The shapes include circles, triangles, and irregular polygons. The background of the border is a light yellow grid pattern.

I HOPE THAT YOU HAVE
enjoyed this lesson ..
